

## Student Code of Conduct

To ensure your safety, as well as create an open and welcoming environment for all students, we ask all students to abide by the following rules:

- Please show respect for yourself and others
- Act responsibly and be accountable for your actions and behavior
- Treat your student mentors and presenters with respect and courtesy – remember many of them will be working on their day off to meet with you
- Do not leave campus at any time
- Students are not allowed to congregate in the stairwells or hallways
- The sleeping rooms are assigned by gender, so no males in female rooms and no females in male rooms
- If you have any problems or concerns, please let your student mentor or a member of the DU staff know
- We reserve the right to expel any student from the workshop if it is believed a student may cause disturbances, endangerment of life, or causes bodily injury or in any way negatively affects the safety and security of others.
