# DU Study Abroad Civic Exploration

Fall 2008

## Exploration of Two Great Cities

A new element of the London and Bologna Study Abroad Programs for fall 2008 will allow participants in each program to spend a long weekend in the other city at no additional cost! The "Bologna-London Interchange" will compare the history, culture, art, and architecture, of two great European cities.

## Trans-European Excursions

Come learn about what makes a city great. Your guides are professors of Italian and Anthropology, each an experienced study abroad director. Flight, airport transportation, hotel lodging and guided tours are included.
