*"This past year my
development as a
student allowed me
many instances to
think more deeply
about the work I do
with children and
families, and with
others also involved
in this important early
childhood work."*

~ Sheila Groneman,
Summit County Head
Start

*My recent studies had
reignited my evidence based
knowledge, which led to an
increased interest and ability
to articulate field
perspectives...Having re-
enrolled my own voice, I
began the process of
enrolling other voices."*

~Sheryl Shushan, Grand
Beginnings
