COLORADO DEPARTMENT OF HIGHER EDUCATION
COLLEGE OPPORTUNITY FUND APPEAL FORM

This is the official form to request a College Opportunity Fund (COF) Appeal. The Colorado Department of Higher Education (CDHE), under the authority of the Colorado Commission on Higher Education (CCHE) will accept appeals from students when:

- You believe an error was made that prevented the COF stipend from being applied to your tuition for a previous term or terms; AND
- The billing period has ended and the college can no longer request this funding on your behalf for the classes that were previously unfunded by COF; AND
- You have tried to resolve the issue with the college you attended during that term or terms; AND
- You have not exhausted all of the original 145.00 undergraduate hours allotted to you under this state funding program.

PLEASE NOTE: Submitting a COF Appeal application to CDHE DOES NOT exempt you from paying all tuition and fees generated by the college. All tuition and fees must be paid in full by the applicable college deadline. However, upon approval of a COF appeal from CDHE, your tuition will be recalculated at the college and your COF hours will be adjusted on your COF account. CDHE will notify you and your college of these changes.

Your appeal will be considered based on the materials you provide, including the supporting or opposing facts submitted by the appropriate college offices and/or staff. In general appeals are granted to students who were billed incorrectly due to an error made by a college or by a COF administrator. Failing to create a COF account, authorize your college to bill COF on your behalf, or provide necessary information for the COF stipend when sufficient notification to do so was provided, are not grounds for an appeal to be granted.

If you have requested, but have been denied an institutional appeal by your college, a copy of the letter or form notifying you of this denial must be attached to the completed Appeal Form.
