

Morgridge College of Education Statement of Professional Goals

In an essay, explain your reasons for pursuing graduate study in the Morgridge College of Education. You should include:

- Your personal, educational, and employment experiences that have shaped your desire for advanced study.
- A statement of your professional objectives and how you arrived at them.
- An explanation of what you hope to obtain from your chosen concentration and how you intend to apply it professionally.

Your statement should be approximately 2-3 pages, typed and double-spaced.
