

Under consortium, your home school (DU) accepts credit for courses taken at a host school and counts those credits toward the completion of your DU degree. DU may decline to give credit for courses that you do not pass. All courses taken under the consortium program will be used to calculate your DU Satisfactory Academic Progress (SAP). DU's complete SAP policy is located online at <http://www.du.edu/finaid/SAP.htm>. The financial aid for which you are eligible will be released to you by DU on the below disbursement date(s). You will be responsible for paying the bill at your host school. If you would like DU to pay the bill at your host school prior to processing your refund, please attach a copy of your bill. Please include your DU ID on the host school bill. For priority processing, submit this application by the priority due date listed below.
