GRADUATE STUDENT  
ASSOCIATION COUNCIL

**From: Will Chapman <Will.Chapman@du.edu>**

The Honor Code Advisory Council Student Education Subcommittee is seeking an additional graduate student to be on the subcommittee as we look at ways of expanding education about the purpose and importance of the Honor Code, particular for graduate students who have traditionally been left out of the educational programming.

We meet Wednesdays at 1 PM in Driscoll Student Center, but not every Wednesday. Every other week is the full HCAC, every third week will be the SE subcommittee. Anyone interested in being part of this important effort or if you have questions about what kind of commitment this is, please email [will.chapman@du.edu](mailto:will.chapman@du.edu)

Thanks,

Will
