For a Focus Group on Improving Mental Health

- Do you identify as asexual, bisexual, gay, intersex, lesbian, pansexual, queer, questioning, transgender, two-spirit, or some other gender, sexual, or romantic minority?

- Do you have ideas for how DU can help queer students feel more connected to our campus community?

We want to learn what you think DU can do better to help queer students who may be struggling with stress, anxiety, depression, or suicidal thoughts or behaviors.

Come join us for one of the following discussion groups and share your ideas for how DU can better support students of all sexual orientations and gender identities!

**Monday, April 18 from 12pm to 1pm in Driscoll 127**
(gender minorities)

**Tuesday, April 19 from 5:30pm to 6:30pm in Driscoll 127**
(sexual/romantic minorities)
