

The University Honors Program Preisendanz-Schmid Scholarship
Supporting Thesis Research in Business, the Arts, Humanities, Sciences, and Social Sciences

The Preisendanz-Schmid Scholarship was established by Donna M. Schmid (Psychology, '78) in memory of her parents and grandparents. The purpose of the Scholarship is to provide financial support (up to \$2000) to undergraduate Honors Program students pursuing their senior thesis-project work. The scholarship is for those planning to graduate by Spring 2011. Students must be in good academic standing and on track to meet all Honors Program requirements. Preference is given to those who have unmet financial need as determined by the Office of Financial Aid. Recipients are selected annually on a competitive basis and are designated Schmid Scholars.
