Welcome!
Since 1958, Delta Dental has been providing high-quality, comprehensive dental benefits in the state of Colorado and nationwide. As a nonprofit organization, our mission is to improve the oral health of the communities we serve. The people of Delta Dental work to provide the best customer service to our members. And the relationship with our providers is key to achieving our mission.

This provider directory is a valuable tool for helping you find a dentist or dental specialist in your area. Remember that your choice of provider is your own. The information provided in this directory is not an endorsement of a particular dentist or dental specialist suitable to your needs.

Although we try to ensure that our provider directories are as accurate as possible, the information in the directory is subject to change at anytime. We encourage you to check our website at deltadentalco.com for the most current information about participating providers near you.

Provider Network
This provider directory is for products that use Delta Dental Patient Direct® network.

You will need to fill out your dentist's name and provider number on your enrollment form. You and your family members need to visit the same Patient Direct general dentist. If you need to see a specialist, no referrals are required.

General Provisions
• All needed specialty care (except orthodontics) that cannot be provided by your selected general dentist can be provided by a plan-participating specialist. These specialists have been contracted to offer plan members up to a 20% discount off of their normal full fee. You may see any of the contracted plan specialists as needed without contacting your selected general dentist. Call us at 1-800-610-0201 for a list of plan-participating specialists or visit our website at deltadentalco.com.

• Orthodontic treatment discounts are listed on your plan schedule of benefits.

• All family members must see the same general dentist for treatment.

• You may change your general dentist selection at any time by contacting us at 1-800-610-0201.

• Some large dental offices with multiple locations list all contracted providers from all locations combined. They do this because some of the providers float between offices as needed. Please contact the dental office for the specific providers at that location.
