

Unaffiliated Study Abroad Program Pre-Approval

****Semester at Sea applicants do not need to submit this form. It is already pre-approved.****

The University of Denver encourages students to participate in a study abroad program during their academic career. While DU offers more than 150 Partner Programs, it is sometimes academically appropriate for a student to participate in an unaffiliated program. Programs that duplicate DU Partner Programs will not be approved. In order for students to receive credit for these programs, this form must be completed and submitted to the Office of International Education prior to applying to an unaffiliated program. Without this form on file, there is no guarantee of academic credit.

The University of Denver’s Office of International Education, in conjunction with International Admissions, will verify the accreditation of the program/university. Credits from language schools are not typically accepted by the University of Denver.

Completion of this form will result in the verification of your program’s accreditation, not the approval of specific courses. After receiving confirmation that your unaffiliated program is approved, please follow the steps outlined on the “How to Apply” section of our website. You will complete the Graduate or Undergraduate Course Approval form as part of your DU application. The Course Approval form will confirm how study abroad courses will apply to your degree. Courses are approved by the academic units, not by the Office of International Education.
