AUSTRALIAN ACADEMIC YEAR: FEBRUARY—NOVEMBER

## PROGRAM

Established in 1911, the University of Western Australia (UWA) is Western Australia's premier university and one of Australia's top educational institutions. This university is a member of Australia's prestigious *Group of Eight* universities. This University is known not only for its academic offerings, but also for its attractive campus dotted with Romanesque architecture and unusual flora and fauna. More than 18,000 students make up the current population, including over 3,000 international students.

## ACADEMICS

UWA have nine faculties to choose courses from. With Faculties of Arts and Humanities, Business, Life and Physical Sciences, and Engineering you will find most courses you would need for your major. No matter the subject, you will study alongside Aussie students. The Australian 3-year undergraduate degree is much more specialized, therefore 200- and 300-level courses require a strong background in the area. Most courses include 2-4 hours of lecture per week. You will also participate in tutorials, which are small discussion groups led by a teaching assistant. A typical course load is 4 classes. Search for units (courses) here:

## COST

### Billed by DU:

- DU Tuition
- DU Technology Fee
- Study Abroad Housing
- Study Abroad Meals

*Non-Cherrington Scholars will be charged a \$50 application fee and a program fee.*

## LOCATION: PERTH, AUSTRALIA

The country's fourth largest city, with about 1.5 million residents, Perth is just minutes from superb beaches, nature reserves, and laidback seaside towns. The University of Western Australia is situated in Perth between the Swan River and the Indian Ocean. The absence of heavy industry means a virtually pollution-free environment. Perth also boasts more hours of sunshine per year than any other capital city in Australia, along with the best beaches in the country. In 2002, *Travel and Leisure* magazine voted the citizens of Perth "the friendliest people in the world." This is the place to study if you are looking for a unique Australian experience and enjoy the outdoors.

## HOUSING & MEALS

You will live in one of the university-owned student housing. The residential colleges offer numerous social activities such as formal dances, café crawls, and theme dinners. You can also get help with your academic side with tutors. You will have a private bedroom with shared bathroom. The colleges include meals.

## CULTURAL CONNECTIONS

You can choose from over 70 different clubs and societies from the Surfriders to the radio club. In addition, there are over 30 sporting clubs. Your membership in the Student Guild is included. The Student Guild offers social, cultural, and sporting activities on campus. You can also take advantage of Perth's ideal setting for living an active, outdoor life.
