B.A. in English, Rutgers University

Experience before Korbelt

Peace Corps volunteer in China

Why Korbelt?

"The Peace Corps fellows program at Korbelt is incredible --allowing my Peace Corps experience to count towards my degree counts for a lot. And Korbelt's commitment to social welfare, plus the excellent location, made the program here my first choice."

Languages

English, Mandarin Chinese

Plans

"I'm interested in Chinese-U.S. resource conflicts in Sub-Saharan Africa, a topic I became aware of as a Peace Corps volunteer in China. I plan to work on these issues as a policy analyst with the government or a non-profit."
