## Graduate Financial Aid Request Form

Students seeking departmental scholarship or grant aid must complete this form. The form can be uploaded with your application to the School of Art and Art History. Instructions on how to upload the Application for Graduate Financial Assistance can be found at the end of this form.

Students can apply for two types of financial aid: departmental financial aid — primarily merit-based aid, such as graduate dean's tuition scholarships and graduate teaching assistantships, and federal financial aid — including federal student loans and work study. To be considered for need-based and federal financial aid, you must complete and submit the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) by the priority deadline of March 1. For more information about federal financial aid, please go to the Office of Financial Aid's Web site: [www.du.edu/finaid/grad.htm](http://www.du.edu/finaid/grad.htm). International students are not eligible to apply for federal financial aid and do not need to file a FAFSA.

Awarded by quarter and provide a stipend and tuition remission. They may be full time (20 hours work per week) for the whole year or for one or two quarters.
