| Date Issued   |  |                   |                                |

If you have an I-20 or DS2019 (category student) from another university, you must obtain permission from that university before enrolling in courses at another institution. This permission should come in the form of a letter or memo included with your special status materials. You will not be registered until this approval is received.
