One Day for DU
Crowdfunding Projects

**Bridge Project**
Support the Bridge Project, an inspiring and effective program that provides a path for youth in Denver’s public housing neighborhoods to graduate from high school and attend college.

**Center for Multicultural Excellence**
The Center for Multicultural Excellence (CME) challenges the DU community to create a campus climate that ensures all of its members are valued, supported and thrive by embracing and engaging our social identities.

**Club Sports**
Club sports bring together groups of students with similar interests to organize and participate in a specific sport and/or recreational sporting activity. We are a dynamic organization on the DU campus, committed to developing students as active members of the University community.

**DU Latino Alumni Association (DULAA) Scholarship**
The DU Latino Alumni Association (DULAA) scholarship was founded by the Latino Alumni community to provide financial assistance to undergraduate students committed to advancing the Latino community. The scholarship helps address the important need for diversified classes

**Graduate Student Research Professional Development Grant**
Support graduate research and scholarship opportunities at the University of Denver. Since the grant was established in 2011, DU graduate students have presented their research findings in 91 US cities, 30 US states, and 22 countries, at competitive conferences that foster the creation of new knowledge. Awards, averaging $374 per awardee, have gone to 256 students across 9 divisions and 30 programs, allowing them to advance the scholarship through innovative and groundbreaking research.

**Internship, Career & Professional Success**
Provide support to help all students participate in internship opportunities—many of which are unpaid or low-paying. This funding reduces the financial burden associated with participating in a wide range of internships and allow students to participate in experiential career exploration.

**Newman Center for the Performing Arts**
The Newman Center for the Performing Arts strives to provide the highest quality performing arts experiences for the Colorado community. We offer an eclectic, innovative, and entertaining mix of emerging artists and seasoned performers to expand and enrich our community's cultural experiences. Support our entire community in sharing, enjoying and examining a blend of traditional, new, and provocative arts experiences.
Pioneer Leadership Program
The Pioneer Leadership Program (PLP) has been developing the leadership skills of some of the University of Denver’s most talented undergraduate students since 1995. PLP is a unique academic minor and Living and Learning Community at the University of Denver.

Project X-ITE
Support Project X-ITE, as it’s staking out new ground where innovation, technology and entrepreneurship intersect. It’s a cross-disciplinary initiative, the first of its kind at the University of Denver, to ignite new ideas across the University and beyond, to build exciting, impactful partnerships with creative thinkers and doers in industry and government.

Project DU F.I.L.M.
This F.I.L.M. (Filmmaking Initiative Linking Mentors) project unites alumni and current students for the opportunity to collaborate. These connections with the alumni are transformative experiences for the students, as alumni make great mentors for current film students working toward careers of their own.

Robotics & Autism Fund
The University of Denver is conducting a study to see how humanoid robots can improve social skills of children on the autism spectrum. This study examines improving social skills such as eye gaze attention and facial expressions recognition.

Student Emergency Fund
The newly launched Student Emergency Fund offers financial support for DU students facing unforeseen financial emergencies and catastrophic events that may disrupt their education. A gift of any size greatly helps DU students in their most urgent time of need.

Sturm Fund for the Military Psychology Specialty
Help increase mental health resources in our community by supporting this emerging program! Military psychology is a sub-discipline born out of the need to address the unique issues veterans face, and it is rapidly uncovering a stark need for clinical and advanced research.

Young Alumni Endowed Scholarship Fund
Are you a DU alumnus in your twenties and thirties? Join other passionate young alums in supporting opportunities for future pioneers.
