

General tips and Information

- If you are a student contact your faculty advisor first and visit our website for more information.
- Faculty Sponsor/Advisor also needs to complete the training and must be in the eprotocol system.
- IRB meets monthly for Full Board applications.
- Exempt and Expedited applications are reviewed as they come in via the same process.
- Process depends on number of applications and reviewers. Give yourself time!
- All notices are received via email, therefore it is important that you read the entire email.
- Submitted application status can be found on your eprotocol home page.
- Resubmit any changes/revisions to the IRB application via eprotocol. Every action is documented via the system.

Eprotocol tips and information

- While on eprotocol: Turn off pop up blockers from web browser and do not use back or forward arrows.
- Although you may use any web browser, Firefox and Safari appear to work best.
- A complete PI Guide is available to you via webcentral under ORSP Resources tab.
