HEDS Sexual Assault Campus Climate Survey
2022 Advanced Degree Frequency Report
University of Denver

Released April 2023

This report contains data on the responses of students to each question on the advanced degree version of the HEDS Sexual Assault Campus Climate Survey.

Each data tab compares your students who took the survey in 2020–2021 to students at other institutions that participated in the survey in the 2019–2020, 2020-2021, and 2021-2022 academic years.

HEDS Sexual Assault Campus Climate Survey
2022 Advanced Degree Frequency Report
University of Denver

Technical Information

Comparison data in this report comes from approximately 2000 students at 18 institutions that administered the HEDS Sexual Assault Campus Climate Survey in the 2019–2020, 2020-2021, and 2021-2022 academic years. This report focuses only on advanced degree students.

	University of Denver		All Other Institutions	
	n	*Response Rate* [2]	n	*Response Rate* [2]
All Advanced Degree Respondents[1]	291	-	2051	*15%*
Advanced Degree Women Respondents	188	-	1277	*9%*
Advanced Degree Men Respondents	78	-	662	*5%*

[1]The "All Advanced Degree Respondents" group includes all students who submitted surveys, including those who did not identify as women or men.

[2]We calculated the response rate by dividing an institution's total number of submitted surveys by the number of invited participants. If a general link or QR code was used, no response rate was calculated.

Sexual Assault

We have broken down responses to Q13—"Since starting your advanced degree at University of Denver, have you been sexually assaulted while you were (a) on campus; (b) off campus at an event or program connected with University of Denver, including study abroad and internships; or (c) at a social activity or party near campus such as at an apartment, restaurant, or bar?"—by class year. Students who answered "No" or "I suspect that I was sexually assaulted, but I am not certain" in Q13 skipped directly to Section Three: Bystander Behaviors (Branch 1 or Branch 2: Versions 1, 2, or 3).

We combined data from Q15—"Where did the sexual assault occur?" shown to students who experienced one assault—and Q16—"Please mark how many incidents of sexual assault you have experienced at each of the following locations" shown to students who experienced multiple assaults—to capture where all the sexual assault incidents that students disclosed in this survey took place.

Details about Incidents of Sexual Assault

© 2021 Higher Education Data Sharing Consortium

Students who were sexually assaulted were asked a series of questions about details of the assault. These questions appear on the "Details about Incidents of Sexual Assault" tab. Students who were sexually assaulted multiple times were asked to focus on only one incident of sexual assault when answering these questions. The majority of victims of sexual assault experienced more than one assault, and information on this tab reflects the one assault they chose to describe, not all the incidents they experienced.

Students who answered “One person” in Q17—"How many people sexually assaulted you?"— saw Branch A. Students who answered “More than one person” or “I am not sure” in Q17, or who saw Q17 but did not respond, saw Branch B. Questions in Branch A and B are identical, but sometimes Branch B employs the plural form. We have combined questions from Branches A and B into the frequencies we show for Q18–Q34.

We combined data from Q15—"Where did the sexual assault occur?" shown to students who experienced one sexual assault—and Q25—"Where did the sexual assault occur?" shown to students who experienced multiple assaults—to show where the one incident of sexual assault that students chose to describe in this survey occurred.

Bystander Behaviors

Bystander Branch 2 has three versions of Q1, Q2, and Q3. The first version is for students who suspect that they were sexually assaulted, the second version is for students who experienced an attempted sexual assault, and the third version is for students who suspected that they experienced an attempted sexual assault. We combined data from these three versions for each question in the Branch 2 section of the "Bystander Behaviors" tab.
