Why partner with DU?

The University of Denver (DU), a private institution, is the oldest independent university in the Rocky Mountain West. We are distinguished by our creative combination of liberal arts and professional programs, selectively focused graduate studies, and associated schools and centers. Students pursue degrees within the following divisions of DU:

- Daniels College of Business
- College of Arts, Humanities and Social Sciences
- College of Education
- College of Natural Sciences and Mathematics
- School of Engineering and Computer Science
- Graduate School of Professional Psychology
- University College
- Women's College
- Graduate School of Social Work
- Graduate School of International Studies

The student body comprises 4,850 undergraduate and 5,700 graduate and professional students representing all 50 states and 87 nations. Undergraduate students are admitted only after participating in the required Hyde Interview, a face-to-face meeting with as many as three members of the University community

U.S. News and World Report continues to rank the University of Denver among Americas Best Colleges

Business Week honored DU with its first-ever ranking of the top 50 U.S. undergraduate business programs in 2006.

Whatever your needs, whatever your recruiting methods, the DU Career Center is ready to establish a partnership with you to attain your hiring goals.

Create a Presence on Campus

Career and Internship Fairs

Reap the benefits and get valuable face time with DU students and alumni of all majors. The Career Center hosts several career fairs each year which are well-attended and highly-publicized events. Information can be found at www.du.edu/career.

Information Sessions

Hold an Information Session for students and alumni about your organization to increase awareness. This works well in tandem with on-campus interviewing.

Student Organizations

Volunteer to assist with special interest presentations or participate in a career panel. This is an excellent opportunity to share your industry knowledge and teach students how to be "job-search smart."

Maximize Your Time

Online Internship/Job Postings

Posting an opportunity has never been easier. Link to <http://www.du.edu/career/employer.html>. You will have complete control over your job and internship listings through DU Careers Online.

Resume Book Service

Upon approval, you will have immediate access to the resumes of DU students and alumni. Simply register on DU Careers Online at <https://du-csm.symplicity.com/employers>.

On-Campus Recruiting

Seeking an intern, new graduate or seasoned professional? Conduct on-campus interviews to generate an applicant pool for current openings.
