

We're LISTENING to  
women when they talk about  
unwanted sexual experiences.

- ✓ Have you had an unwanted sexual experience in the last year?
- ✓ Did you tell someone (such as a counselor, advocate, police officer, health provider) about that experience?
- ✓ Are you 18 years of age or older?

If so, you are invited to be part of the **Women's Health Project**.

The project involves 4 interviews over 9 months. You can receive up to \$230 for taking part in the 4 interviews.
