A. EDUCATION

2010 – 2013	<i>Doctor of Philosophy</i>	University of Washington (Seattle), Department of Anthropology
2007-2010	<i>Master of Arts, Anthropology</i>	University of Washington (Seattle), Department of Anthropology
2003-2006	<i>Master in Public Health</i>	University of San Carlos (Guatemala), School of Medicine
2002-2003	<i>Certificate Multiculturalism, Gender and Health</i>	Latin American Social Sciences Faculty –FLACSO (Guatemala)
2001	<i>Certificate: Strategic Analysis of Health Policy and Systems</i>	Rafael Landívar University (Guatemala), School of Health Sciences
1994-2000	<i>Physician and Surgeon (Licentiate)</i>	University of San Carlos (Guatemala), School of Medicine

B. PROFESSIONAL EMPLOYMENT

B.1. CURRENT POSITIONS

2019 – Present	<i>Associate Professor</i>	University of Denver, CO, U.S.A.: Department of Anthropology
2013 – 2019	<i>Assistant Professor</i>	University of Denver, CO, U.S.A.; Department of Anthropology
2012 – Present	<i>Affiliated Researcher</i>	Centro de Estudios para la Equidad y Gobernanza en los Sistemas de Salud (CEGSS) (<i>Center for the Study of Equity and Governance in Health Systems</i>), Guatemala.
2011 – Present	<i>Affiliated Researcher</i>	Del Valle University, Guatemala; Department of Sociology and Anthropology.

B.2. PREVIOUS POSITIONS

2017-2018	<i>Consultant</i>	Asociación Indígena Campesina Ch'orti' Nuevo Día <ul style="list-style-type: none">I conducted ethnographic research to document the experiences of the families of three girls and two boys living with chronic under-nutrition, as follow-up to the 2011-2012 project “Campaña Guatemala sin Hambre”.
2012- Present	<i>Researcher</i>	Project “An International Comparative Case Study of the Health Equity Impacts of Medical Tourism in Developing Countries”. PI Valorie Crooks (Simon Fraser University) and Ronald Labonté (University of Ottawa), Guatemalan Co-Investigator Walter Flores (Centro de Estudios para la Equidad y Gobernanza en los Sistemas de Salud)
2011-2012	<i>Consultant</i>	Project “Campaña Guatemala sin Hambre” <ul style="list-style-type: none">I conducted ethnographic research to document the experiences of the families of three girls and two boys living with chronic under-nutrition. The report I wrote was used to support a judicial demand against the Guatemalan state for violating the right to health of these children.
2007 – 2010	<i>Project Co-Director</i>	Project “Balancing Health and Wealth: The Human Rights Challenge to the Contemporary Intellectual Property Regime” - Center for Law, Society and Justice - DeJuSticia (Bogotá, Colombia) <ul style="list-style-type: none">Established a network of Central American public health institutions with the goal of producing and disseminating information about the impact of intellectual property law on access to medicines in Central America.
2006-2007	<i>Consultant</i>	Project “Social construction of health futures in Guatemala”- United Nations Development Program (UNDP) in Guatemala

Fall 2006	<i>Consultant</i>	<ul style="list-style-type: none"> ▪ Wrote a paper examining Guatemalan people's plural health strategies and practices. The report was published in 2008 (co-authored with Patricia Cortez) <p>Project "Women in Guatemala and the Right to Health: effects of CAFTA on Access to Essential Medicines"- Center for Policy Analysis on Trade and Health (CPATH)</p> <ul style="list-style-type: none"> ▪ Assisted in coordinating with potential advisory committee members, key informants, data sources. Translation and interpretation between Spanish and English
2003-2006	<i>Local Coordinator</i>	<p>Pilot Primary Health Care Project – Clínica Maxeña / Instancia Nacional de Salud (Suchitepéquez, Guatemala)</p> <ul style="list-style-type: none"> ▪ Designed and implemented project at an operational level ▪ Coordinated a 25-person health care team, with varying educational and skill levels, that was responsible for providing health care to nearly ten thousand people distributed in 21 predominantly <i>K'iche'</i> (one of the Mayan ethnicities that live in Guatemala) speaking communities ▪ Planned, designed and coordinated (as part of a team) a course for health workers. One of the focus of the course was to understand and articulate Guatemala's diversity of health knowledge and practices.
2002-2003	<i>Member / Project Responsible</i>	<p>Technical-Operational Team. Pastoral de Salud de las Verapaces / Instancia Nacional de Salud (Sacatepéquez, Guatemala)</p> <ul style="list-style-type: none"> ▪ Responsible for the Right to Health Monitoring Project. Co-authored report with Lesly Ramírez. ▪ Participated in tasks to strengthen a coalition of not-for-profit organizations. ▪ Wrote articles for the Instancia Nacional de Salud's quarterly publication.
2001-2002	<i>Coordinator of health teams / Ambulatory rural doctor</i>	<p>FUNDEMI-Talita Kumi (Alta Verapaz, Guatemala)</p> <ul style="list-style-type: none"> ▪ Designed training and supervision for ten rural health care teams ▪ Conducted epidemiological surveillance action for then rural health care teams ▪ Physician in one rural health team.
Fall 2000	<i>Research Assistant</i>	<p>Study "Evaluation of the performance of the PAHO technical assistance in Cobán" – Pan American Health Organization (PAHO), Decentralized Technical Assistance (Alta Verapaz, Guatemala).</p> <ul style="list-style-type: none"> ▪ Participated in design and implementation of study ▪ Co-authored report with Geraldine Grajeda
