We are honored this year to include The Junior Civil Air Patrol posting the United States and Israeli flags, Cantor Martin Goldstein leading the Star Spangled Banner, Cantor Zachary Kutner chanting El Malei Rachamim, Mr. Jack Welner speaking about his liberation from a concentration camp, music by Oscar Sladek and the Colorado Hebrew Chorale, and special guest speaker, Major General H. Michael Edwards, Adjutant General of the Colorado National Guard. The 157<sup>th</sup> Infantry Regiment of the 45<sup>th</sup> Division of the Colorado National Guard was among the liberators of Dachau Concentration Camp. This 70<sup>th</sup> anniversary program remembers those who died in the Holocaust, those who survived, those who gave their lives fighting the Nazis, and WWII veterans.
