In Between is a semi-autobiographical one man show that portrays the complexities and contradictions inherent in Palestinian-Israeli identity. On the precipice between two cultures stands Ibrahim Miari, son of a Palestinian Muslim father and Jewish Israeli mother.

During an interrogation by Israeli airport security, he recalls his childhood in Akko, memories of his Jewish and Palestinian grandmothers, and of war. Questions surrounding his identity become even further complicated by his imminent marriage to a Jewish American woman.

This event is free of charge and open to the public.
