

*Remembrance Statement
for the
Zicherman-Sztrulovits Memorial Endowed Fund*

Bella Zicherman establishes this fellowship to remember and honor her husband, Jerry Zicherman, who passed away in 1965 from health complications developed in the concentration camps during the Holocaust. This fellowship also remembers and honors family and friends who perished in the Holocaust in 1944.

May the beauty and dignity of their lives be remembered and honored by those who administer the fellowship and those who receive it.

May the sacrificed lives of these young children and adults inspire us to be mindful of our history, vigilant against injustice, and hopeful for the future of humanity.
