

The Duality Duet

The Duality Duet is based on a relationship of two people who fell in love with each other and their music. Meeting each other at a music festival in Santa Barbara, California, they fell in love at first sight. After only three days, they continued their relationship overseas, and decided a year later to go to Denver together. Currently, **Elle Li** (violin) is working on her Master's Degree at University of Denver's Lamont School of Music where she works as a graduate teaching assistant. She also performs with local orchestras like Denver Philharmonic Orchestra, Cheyenne Symphony Orchestra, and Fort Collins Symphony Orchestra. **Travis Rollins** (viola) is the former viola graduate teaching assistant at Lamont School of Music, where he just finished his Master Degree. Recently, he has been focusing on performing with professional orchestras, subbing in the Colorado Symphony, and sound engineering.

Being a part of a strong relationship and sharing a passion for music, they found that they had something special to offer. Elle and Travis love to share their music and play in weddings, receptions, parties, and other special occasions as a duet or other ensemble (trio, quartet, etc.). Their repertoire consists of a combination of classical music and various arrangements of pop music. The Duality Duet continues to strive for the best and share their passion with the listeners around them.
