

USOC DIGITAL MEDIA AND PRODUCTION INTERNSHIP JOB DESCRIPTION

With the United States Olympic Committee's extensive archives at their disposal, Team USA's newest digital media intern will have the opportunity to live and work at the Olympic Training Center, creating highly-visible, digital content surrounding our country's Olympic and Paralympic teams.

You will work alongside the digital team and various internal and external stakeholders to help build Team USA's digital brand through creative video production. You are agile, creative, and flexible. You don't need a big offensive line; you've got brains, dedication, flexibility, and passion. Your sleeves are already rolled up and you are ready to dig your heels into all aspects of video production from research to shooting to editing to delivery. Get ready for a fast-paced environment, passionate teammates, and unparalleled editing opportunities with years of Olympic archives on hand and unique access to the world's best athletes.

RESPONSIBILITIES

- Emphasis will be on editing compelling video content for Team USA's digital platforms, but candidate should be comfortable producing and shooting
- Utilize extensive, historic Olympic archives and video library to tell the stories of Team USA's greatest legends
- Serve as production assistant on video shoots
- Candidate must be comfortable on set
- Position may require travel

JOB QUALIFICATIONS

- Proficiency in non-linear editing systems such as Adobe Premier or Final Cut Pro
- Proficiency shooting on broadcast-quality video cameras
- Ability to work independently, as well as part of a team, and take creative direction
- Must possess ability to work under time constraints and deadlines
- Must have strong work ethic, and positive attitude, with an ability to handle multiple tasks simultaneously
- Must be organized and manage time effectively and efficiently in fast-paced environment
- Proficiency in After Effects and Photoshop is a plus

ELIGIBILITY REQUIREMENTS

- Completed at least two years of college before the start of the internship and be enrolled in an undergraduate or graduate degree program at an accredited United States college or university, or be a recent graduate
- Must be willing to relocate for duration of internship to the United States Olympic Training Center in Colorado Springs, Colorado
