

# PERSPECTIVES

CRITIQUE. CREATE. EMPOWER.

University of Denver's  
Media, Film & Journalism Studies Newsletter

Spring 2015

## Journalism Studies Students Shift from the Classroom to the Courtroom

The ongoing legal trial for James Holmes' [mass shooting inside an Aurora, Colorado movie theater](#) is top news across the entire nation and is being covered from many different angles. Two of these reporting angles come from MFJS Students - Hsing Tseng and Claire Sisun.

## IIC Students Lead Intercultural Workshop at 2015 Internationalization Summit

In April, I presented at the second annual Internationalization Summit, along with five other IIC graduate students. This year's summit, "Internationalization at Home," included panels, presentations, and workshops related to international issues at DU.

## Strategic Communication Students Partner with Local Nonprofit

It can sometimes seem difficult to connect higher education's theoretical stance with hands-on work experience. For students who want to serve their communities, it is often assumed they must study an explicitly service-oriented field or be involved in extra curricular activities to volunteer.

### CHAIR'S CORNER

#### Spring as a season of remembering and renewal

It's the time of year when throughout campus trees and flowers blossom, students are busily engaged in the completion of projects, and faculty are staring down the mountains of papers and exams that stand between us and summer vacation.

#### SHARE YOUR NEWS

Tell us about your career and personal accomplishments, awards, life events or whatever else is keeping you busy. Share your news with fellow MFJS or IIC alumni by submitting a note to [MFJS@du.edu](mailto:MFJS@du.edu).

#### MARGOLIN DISTINGUISHED JOURNALISM LECTURE

Recently, MFJS hosted [Riva Froymovich](#), millennial journalist and author, as the 2015 Margolin Distinguished Journalism Lecturer. [Click here](#) to view photos from the event.

#### ALUMNI PROFILE

##### IIC alums create participatory film

**Q:** What was your focus in the IIC program?

**A:** I acquired skills to use media as a tool to improve people's livelihoods, and focused on behavior change communication, video production, and sustainable development.
