University of Denver APA Continuing Education Course

EVALUATION OF PEDIATRIC ANXIETY DISORDERS

Offered by Michelle Rozenman, PhD
2 APA CE Hours

Need APA Continuing Ed Credits? Join us!

This workshop is designed to provide clinicians with a practical approach to screening for pediatric anxiety disorders. Instructors will also discuss how to assess for anxiety in practice and community settings, including evidence-based assessment tools and “red flags” for identifying youth who have elevated symptoms and may be at risk for future diagnosis.

MARCH 14TH 2019
6 - 8 PM
UNIVERSITY OF DENVER - STURM HALL, ROOM 186
