

MA Program in Religious Studies

Request to Waive One or More Traditions Requirements

One or more “traditions requirements” for the MA can be waived if the student has already done equivalent course work for that tradition as part of an undergraduate major or minor. At this time only traditions courses can be waived. The department itself has sole discretion to waive the requirement. The student should be aware that waiver of any traditions course does not reduce the student’s obligation to complete 45 hours for the degree, but merely frees the student to take other courses of their choice.

To request a waiver please complete this form, print it out, and attach a syllabus of the actual course, or the course as currently taught. Please submit the form in hard copy to Alyssa Boltinghouse, Assistant to the Chair.
