Internship Option:
Students with a 3.0 GPA (or higher) may use a supervised, pre-approved, internship experience in an appropriate community agency (as determined by the Sociology/Criminology Department’s Internship Director) as a substitute for up to 4 (maximum) elective credits toward the minor.

Total: Minimum of 20 hours of Criminology-related courses

NOTES:
1) Credits in the minor must be earned at the level of "C-" or better, and the grade point average in minor courses must be at least 2.0.
2) Transfer and study abroad courses (including # of credit hours) must be approved by the Department Chair or the Department Academic Advisor.
3) You MAY NOT double major or double minor in Sociology and Criminology, nor may you major in Soc and minor in Crim (or vice versa).
4) At least 50% of the required credit hours for the minor must be completed at the University of Denver.

IMPORTANT NOTICE:
As part of the reauthorization of the Higher Education Act in 2010, several new federal regulations (Program Integrity Rules) were established regarding the definition of "credit hours." The University must comply with these regulations. Therefore, effective fall quarter, 2012, all Sociology classes that had previously been listed as five (5) credit hours will become four (4) credit hour courses. This change affects our major and minor requirements. The current requirement for both Sociology and Criminology minors is "a minimum of 20 quarter hours of coursework" (which includes SOCI 2250, Criminology, for the Crim minor). The new requirement for both minors is "a minimum of 20 quarter hours of coursework, including required courses." Students are expected to meet with a Sociology/Criminology Department faculty advisor to verify their minor requirements.
