## **GENERAL INFORMATION**

### **BORROWER RIGHTS & RESPONSIBILITIES**

The Federal Perkins Loan Program is a need based loan that has been guaranteed by the Federal Government. The loan must be used for educational expenses while in attendance at the University of Denver. These expenses may include tuition, fees, books, room & board, and transportation. The loan is interest free while you are enrolled half-time. Once you cease at least half time enrollment, the GRACE period, which is explained below begins immediately.

The University of Denver is the holder of your Perkins note. You must report any change of name, address, telephone number, Social Security number, or school enrollment status to:

**Bursar's Office**  
**University of Denver**  
**2197 S. University Blvd. #223**  
**Denver, Colorado 80208.**

The following explains the terms and conditions of your loan:

**INTEREST RATE:** The interest rate on this loan is **5%** and accrues after your initial grace period.

**GRACE PERIOD:** The interval between graduation or termination of at least half-time studies and commencement of repayment is called the **GRACE PERIOD**. The grace period consists of nine (9) consecutive months for loans made after January 1, 1987. During this period, repayment need not be made and interest **will not** accrue. However, you are encouraged, at your option and without penalty, to make a pre-payment during this period of time. There is no pre-payment penalty.

**REPAYMENT:** Repayment commences after your grace period has ended. Your payments are **QUARTERLY** and you are billed in arrears for interest accrued. Quarterly pay **DUE DATES** are fixed at 3/1, 6/1, 9/1 12/1.

**EXAMPLE:**

If you graduated 6/93 your grace period would end 3/94. Interest would accrue 3/15/94, 4/15/94 and on 5/15/94. At this time you would be billed for the 6/1/94 payment (This includes 3 months interest and principal).

If you had an outstanding Federal Perkins/Direct loan prior to October 1, 1992, your first **quarterly** payment will be at least \$90.00, If your loan originated after October 1, 1992, your quarterly payments will be at least \$120.00. **These figures are guidelines in accordance with**

**Federal regulations. The amounts are dependent upon the amount borrowed, these are the minimum amounts you can expect to repay.**

**DEFERMENT:** A borrower is entitled to have the repayment of a loan deferred under certain circumstances. A deferment is a period of time during which the borrower is not required to repay the loan principal and Interest will not accrue.

Interest does accrue during a hardship deferment for loans made after before July 1, 1993. Borrowers must apply for a deferment in writing. They may do so by contacting the University's Bursar's Office to request a form. The form must be submitted to the school, with the appropriate documentation, and by the date the school establishes. The borrower must file a form at least once a year for as long as the deferment is presumed effective. The borrower must immediately report any change in deferment status to the University.

**DEFERMENT PRIVILEGES** - You may (delay) payments on your loan by submitting forms, properly completed and certified, for any of the following (subject to approval): Student; Military; Peace Corps or VISTA; Public Health Service; Volunteer Service in a Tax Exempt Organization; Temporary Disability; Internships; Economic Hardship; Forbearance; Hardship; Unemployment; Mother with Preschool Age Children; or Parental or Maternity Leave.

For example: teaching; service in a Head Start program; service in the Peace Corps or ACTION; service in the Military; or Law enforcement or as a corrections officer. This may result in additional collection and legal costs to you, the borrower.

**LOAN REHABILITATION PROGRAM:** Federal Perkins Regulations allow for defaulted loans to be rehabilitated. For details of this program contact your loan servicer.
