Dear campus colleagues,

Thank you for choosing to present the **CME “Bulletin Board in a Bag”: LGBT Heritage Month** in your area this **October**!

In this packet, and any attached documents, you will find everything you need to begin a great bulletin board.

**How to use**
We’ve provided several flyer-sized pages of information, intended to get your board *started*; researching and adding additional information that would be of most interest to your particular residents (relevant communities in their home states/nations, campus/community activities that appeal to their majors and hobbies) can help expand the board and improve its impact.

For the most part, the Board is just print and post ready. Color is obviously most eye-catching, but most of the graphics should be fine in black and white/grayscale if necessary.

If we had it available at the time of publication, we’ve also included or attached information about campus/community events observing this month, that you can post as well. If there isn’t any, you can check our calendar ([www.du.edu/cme/cme_calendar.html](http://www.du.edu/cme/cme_calendar.html)) and/or with the relevant Joint Council student organizations ([www.du.edu/cme/joint_council.html](http://www.du.edu/cme/joint_council.html)) to see what events they have scheduled, and add them to your Board. And, consider making attending one of these events a program for your floor!

**Feedback**
To help us know where our boards have been, and how residents have responded to them, please email us ([igr@du.edu](mailto:igr@du.edu)) any/all of the following:

- Your name, hall and floor where the board is posted
- A photo or two of the board up on your floor
- A brief description of any reaction/feedback the board generated on your floor community,
- And any feedback you have about this board or ideas for other Inclusive Excellence-related identities/issues/observances we could provide for the future.

(And in the unfortunate event there’s any defacement or other negative reaction to the board, please follow your hall’s reporting procedures, and let us know.)

THANKS for sharing this important, and interesting, info with your residents!

Sincerely,

Center for Multicultural Excellence

In 1994, a Missouri high school teacher by the name of Rodney Wilson gathered his community of teachers by the idea of dedicating the month of October as a celebration and teaching of gay and lesbian history. October was a suitable month because it fit in with existing traditions such as Coming Out Day (October 11).

The LGBT community is among the few communities worldwide that is not regularly taught its history at home, in public schools or in religious institutions. LGBT History Month provides role models, builds community and makes the civil rights statement of these communities’ extraordinary national and international contributions.

GILL FOUNDATION

• The Gill Foundation arose out of a battle for equality. A 1992 Colorado ballot initiative denying lesbians and gay men equal protection in the state provoked outrage among fair-minded citizens across Colorado and the nation. One such citizen was Tim Gill, a Coloradan since boyhood, the founder of Denver-based software company Quark, Inc., and a gay man. Tim was moved to action by the attack on his and other Coloradans’ equal rights.

• Today, it is one of the largest funders of LGBT equal rights work. About 80 percent of the foundation’s work and funding is dedicated to LGBT nonprofits – both national and state organization – that work every day to bring about equality. In its 15 year history, the Fund has given $29 million in grants to high-impact Colorado nonprofits.

• Work is broken in three primary areas. They advocate for equality by partnering with LGBT nonprofits – both state and national organizations. They build a better Colorado by partnering with hundreds of organization that share their commitment to improve the quality of life for people across the state. Lastly, they engage donors when they education and energize them about the wide variety of LGBT nonprofits that further equality through their hard work every day.

National Spotlight: Michelle Rodriguez

Michelle Rodriguez is a well known actress in movies such as *Avatar, Machete*, and as the iconic character of Leti in the *Fast and the Furious* franchise. Just recently she came out as being bisexual in a magazine interview:

"I don't talk about what I do with my vagina, and they're all intrigued," the 35-year-old said of the media. "I've never walked the carpet with anyone, so they wonder: What does she do with her vagina? Plus, I play a butchy girl all the time, so they assume I'm a [lesbian].... Eh, they're not too far off," she said and laughed.

"I've gone both ways. I do as I please. I am too ... curious to sit here and not try when I can. Men are intriguing. So are chicks."
