Dear campus colleagues,

Thank you for choosing to present the CME “Bulletin Board in a Bag”: **Graduation/Summer** in your area!

In this packet, and any attached documents, you will find everything you need to **begin** a great bulletin board.

**How to use**  
We’ve provided several flyer-sized pages of information, intended to get your board **started**.

For the most part, the Board is just print and post ready. Color is obviously most eye-catching, but most of the graphics should be fine in black and white/grayscale if necessary. We strongly suggest researching and adding additional information that would be of most interest to your particular audience (relevant communities in home states/nations, campus/community activities that appeal to majors and hobbies); this can help expand the board and improve its impact.

If available at the time of publication, we’ve also included information about relevant campus/community events that you can post as well. You can always check our online calendar (lower right corner of [www.du.edu/cme](http://www.du.edu/cme)), the relevant Joint Council student organizations ([www.du.edu/cme/programs-services/joint-council.html](http://www.du.edu/cme/programs-services/joint-council.html)) and/or other sources to see what events and resources you can add to your Board. And, consider attending one/some of these events too!

**Feedback**  
If you use the board, to help us know where our boards have been, and how audiences have responded to them, please email us ([igr@du.edu](mailto:igr@du.edu)) any/all of the following:

- Your name, hall and floor where the board is posted
- A photo or two of the board up on your floor
- A brief description of any reaction/feedback the board generated on your floor community,
- And any feedback you have about this board or ideas for other Inclusive Excellence-related identities/issues/observances we could provide for the future.

(And in the unfortunate event there’s any defacement or other negative reaction to the board, please follow your hall’s reporting procedures, and let us know.)

THANKS for sharing this important, and interesting, info with your residents!

Sincerely,
Center for Multicultural Excellence
