UNIVERSITY of  
DENVER

CENTER for MULTICULTURAL EXCELLENCE

As we continue a reorganization

Chancellor Chopp began in July 2015, CME will finalize the merger with Student Life, move entirely to Driscoll, and focus on students.

Also, **NEW** positions and initiatives have been created in and beyond what has been CME, to enhance the integration and impact of Inclusive Excellence across DU.

**The building on University Blvd** is now an

expansion site for the Health & Counseling Center, including counseling staff, CAPE, and Health Promotion.
