You were NOT required to submit a TOEFL or IELTS score or a CAE certificate for admission to DU...

Have not studied a foreign language or wish to begin studying a new language...

Read the instructions on the CWLC website and take the language placement exam available for the language you studied.

You do not need to take a language placement exam. Choose a language to study and complete through level 1003.

If you place into...

Level 1001, 1002, or 1003, start with the recommended course, and complete through level 1003.**

A level above 1003, take one course at your level.**

Start Here!

Directions for following the flow chart:
Begin at the left-hand side of the page where it says, “Start Here.” Follow the blue lines and choose the bubble that applies to you. Continue until you reach a blue bubble describing how to complete your language requirement at DU.†

* If you are unsure whether you are required to take the English Language Placement Assessment, contact the International Student Admission office.
† Students in BSEE, BSME, BScPE and BFA degree programs are exempt from language requirements. Students in the BM degree program can complete 8 credit hours of language OR 8 credit hours of Scientific Inquiry.
** INTS majors must complete through level 2003.
‡ If English is NOT your native language you will be contacted by Undergraduate Admission if you need to demonstrate English proficiency.
