Au Pair
English and Cultural Classes
2019 Programming Guide
In this course, students will explore the culture of food both in Denver and around the world!

Each week, you will dive into the history, production, and enjoyment of food through a variety of lectures, activities, and cooking demonstrations. Grow your understanding of where food comes from, how to make it, and of course enjoy trying lots of new dishes! Students will demonstrate their knowledge by developing a menu, cooking a dish and inviting friends and community members for a shared feast. All ingredients, RTD transportation, and materials included.

Looking through the Lens

In this course, you will explore Colorado culture through the lens of your smartphone.

Each week, you will visit special sites around the Denver area as you learn more about the history and culture of one of the top-ranked cities in the country. You will discover tricks and tips for capturing striking images that tell a story while also writing short narratives to accompany your images. Your final project will conclude with a digital portfolio that shows not only your artistic eye, but also what you have learned about Colorado culture. This class includes RTD transportation to visit different sites each week.

Strategies for Success

This course focuses on goal setting, planning, and preparation for what you want to do after you finish your time as an Au Pair.

In a small group setting, you will be guided by your instructor as you explore your future options, make a plan, and set steps into motion. This can include applying to university, preparing a resume, looking for a job, and more! At the end of the course, you will demonstrate what you have learned with a special project that you can take with you as you prepare for your next adventure.
