The University of Denver campus is just minutes from downtown Denver. As Colorado’s capital, Denver is the state’s largest metropolitan area with a population of 2.3 million. The city offers many cultural attractions from the symphony, to ballet as well as professional football, basketball, baseball, soccer and hockey. The city stretches along the base of the Rocky Mountains– yet the weather is surprisingly mild. We enjoy the benefits of all four seasons. Just an hour’s drive from campus, the Rockies offer skiing, snowboarding, hiking, rafting, camping and mountain biking.
