

KEY INFORMATION ABOUT TRANSFERRING COLLEGE CREDIT TO THE UNIVERSITY OF DENVER

TRANSFERABILITY OF COURSES

- College-level courses
- Similar content to what is offered at the University of Denver
- A grade of C- (1.7) or better must be earned
 - Pass/Fail courses will be considered if a pass is equivalent to a C- (1.7) or better; *however*, they will only transfer in as electives – they will *not* count toward Common Curriculum requirements or major/minor requirements
 - Grades do not transfer and are not included in a student's University of Denver GPA
- Official college transcripts must be submitted, *even if course information is included on high school transcripts*
- Taking college credit while in high school does NOT make you a transfer applicant

Our Bulletin is a great resource to view major/minor options, requirements, and course descriptions:
bulletin.du.edu

You can also create your own CustomViewbook to get information about majors, minors, and life at DU:
customviewbook.du.edu

HOW CREDIT IS APPLIED

- Courses may transfer in as [Common Curriculum](#) requirements, major/minor requirements, or electives
 - Common Curriculum requirements are part of our liberal arts philosophy, offered across many disciplines, and are required across all majors (see next page for suggested courses)
- go.du.edu/transfers allows you to search for transferable courses as well as Advanced Placement (AP) and International Baccalaureate (IB) score conversions
 - The **Colorado Community College System** is the most complete in terms of transferable course listings. If you do not see a course for your specific school, please check for a similar title under the Colorado Community College System
 - The absence of a particular course or institution does not necessarily mean that the course is not transferable – this is not a complete list of transferable courses
 - Courses and institutions will continue to be added, as DU equivalents are determined
- Course equivalents are determined by available course descriptions, which are not always descriptive
 - Keep your syllabi, as they may help determine more specific placement of courses

Type of Credit	Maximum Transferable Credit
<i>Advanced Placement (AP)</i>	<i>45 quarter hours</i>
<i>International Baccalaureate (IB)</i>	<i>45 quarter hours</i>
<i>Community College/Junior College (2-yr)</i>	<i>96 quarter hours (64 semester hours)</i>
<i>Any combination of AP/IB/2-Yr/4-Yr/Military</i>	<i>135 quarter hours (90 semester hours)</i>

- The University of Denver runs on a quarter system
 - When the original college or university is not on the quarter system, the transfer credits will be converted to quarter hours **1 semester hour = 1.5 quarter hours**

A more detailed listing of transfer credit policies is available online: du.edu/registrar/transfer-studyabroad
