

Undergraduate ENGLISH CONDITIONAL ADMISSION Policy Description

English Conditional Admission (ECA) is an option available to pre-approved, admitted undergraduate international students at the University of Denver. These students may have a TOEFL/IELTS score below the University of Denver minimum, or no English proficiency test score. These students may fulfill the ECA requirement by attending the University of Denver's English Language Center (ELC), which will address the written and spoken English deficiencies for international students in order to ensure they are successful in their degree programs.

Students who are ECA will enroll in a five-hour-a-day (five-day-a-week) intensive English program at the ELC and complete the required intensive English courses prior to taking any academic, degree-related courses. An ECA student's level of English proficiency will be tested by the ELC, and the student will be placed into the appropriate class level (1 through 5 for *undergraduate* students). Testing for the appropriate ELC class-levels will take place after the student arrives on campus and prior to the beginning of classes.

Please read, sign, and return the attached *Statement of Understanding*.

English Conditional Admission STATEMENT OF UNDERSTANDING

I accept admission to the University of Denver under the English Conditional Admission policy and I plan to attend the intensive English Language Center (ELC) at the University of Denver in order to fulfill the University's English proficiency requirements. By choosing this option, I understand and accept the following conditions of my admission:

1. I understand that I cannot enroll in any academic, degree-related courses until I successfully complete the appropriate ELC level of study.
2. I understand that upon my arrival on campus, my English language proficiency will be tested by the ELC and that *regardless of my TOEFL or IELTS score* I will be placed in the appropriate class level based upon my English language proficiency (Levels 1 - 5). Depending upon the level I place into, I may need to study English at the ELC for 1 to 6 quarters. Upon successful completion of Level 5, I will be permitted to begin my academic studies.
3. I understand that any scholarships that I have been awarded by the University of Denver will not be used to pay for ELC courses. I also understand that there are separate tuition charges for ELC courses. See website for current rates: <http://www.du.edu/intl/elc/tuition.html>.
4. I understand that in order to confirm my intention to enroll as an ECA student at the University of Denver, I will need to submit a tuition deposit payment and the *International Student Admission Response Form* to International Student Admission. I understand that the ELC application fee must be paid separately from the tuition deposit.
5. I understand that it is my responsibility to ensure that all the required documents and deposits are received by the appropriate offices by the stated deadlines.
6. I confirm that I will read my email regularly and notify International Student Admission if my email address changes.
