- **Pay the \$65 non-refundable application fee** online through either application
 - Fee waivers may be considered on a case-by-case basis for demonstrated financial hardship

STUDY ABROAD, and GUIDED PATHWAYS

STUDY ABROAD: du.edu/abroad - 303-871-4912 - duabroad@du.edu

The University of Denver strongly invests in study abroad because we believe as many students as possible should have the opportunity to discover how education really comes to life in an international context.

- Undergraduate students are eligible for the Cherrington Global Scholars Program after attaining Jr status (90 quarter hours) and 3.0 GPA at DU – **a minimum of 2 quarters of full-time enrollment must be completed at DU before studying abroad.**
- Advising is available to determine how study abroad credits will be applied to your degree.
- **It is recommended to begin advising a year in advance of your study abroad term.**
-

Cherrington Global Scholars receive benefits that help offset additional costs associated with studying abroad, such as airfare stipends and visa fee coverage

GUIDED PATHWAYS: du.edu/registrar/transfer-studyabroad/cccsguide

The University of Denver is beginning to review the Degrees with Designation for the schools in the Colorado Community College System. This will enable students to see how courses taken in the community college system will work within given majors. As more majors complete the review process, they will be added to the website above.

THE QUARTER SYSTEM: du.edu/registrar/calendar/

The University of Denver runs on a **quarter system**. The academic year consists of three 10-week quarters and an optional summer quarter.

Fall Quarter	Winter Break	Winter Quarter	Spring Break	Spring Quarter	Summer Break/Optional Quarter
September 14 th – November 20 th	~6 weeks	January 4 th – March 19 th	~1 week	March 29 th – June 10 th	June 14 th – August 21 st

- CLEP and DSST exams are not accepted for credit

Our Bulletin is a great resource to view major/minor options, requirements, and course descriptions:
bulletin.du.edu

You can also access our Custom Viewbook to get information about majors, minors, and life at DU:
customviewbook.du.edu

HOW CREDIT IS APPLIED

- Courses may transfer in as [Common Curriculum](#), major/minor requirements, or electives
 - Common Curriculum requirements are part of our liberal arts philosophy, offered across many disciplines, and are required across all majors (see next page for suggested courses)
- go.du.edu/transfers allows you to search for transferable courses as well as Advanced Placement (AP) and International Baccalaureate (IB) score conversions
 - The **Colorado Community College System** is the most complete in terms of transferable course listings. If you do not see a course for your specific school, please check for a similar title under the Colorado Community College System
 - The absence of a particular course or institution does not necessarily mean that the course is not transferable – this is not a complete list of transferable courses
 - Courses and institutions will continue to be added, as DU equivalents are determined
 - Course equivalents are determined by available course descriptions. Keep your syllabi, as you may submit them to determine more specific placement of courses
- Military coursework that is listed on an official Joint Services transcript or Air Force Community College transcript may be approved by the most closely related department at the University of Denver

Type of Credit	Maximum Transferable Credit
Advanced Placement (AP)	45 quarter hours
International Baccalaureate (IB)	45 quarter hours
Community College/Junior College (2-yr)	96 quarter hours (64 semester hours)
Any combination of AP/IB/2-Yr/4-Yr/Military	135 quarter hours (90 semester hours)

- **The University of Denver uses quarter hours or quarter credits** (instead of semester credits)
 - When the original college or university is not on the quarter system, the transfer credits will be converted to quarter hours **1 semester hour = 1.5 quarter hours**
- **The final 45 credits must be earned *in residence* at the University of Denver** (meaning you cannot transfer in credits from other institutions in your last year of study)
 - Partner programs within our study abroad program will count as *in residence* if you are traveling abroad your senior year

A more detailed listing of transfer credit policies is available online: du.edu/registrar/transfer-studyabroad
