

Using Your Dental Benefits

Congratulations! You have a dental plan from Delta Dental of Colorado. It's so important to use your dental benefits because **your oral health is connected to your overall health**. Your dentist can spot the early signs of systemic diseases and can help you avoid more painful and costly dental procedures in the future. So make dental care a priority.

▶ **GO TO DELTADENTALCO.COM AND FIND A DENTIST NEAR YOU.**

Choose either a Delta Dental PPOSM or a Delta Dental Premier[®] provider based on the plan you have.

▶ **MAKE AN APPOINTMENT.**

A Delta Dental PPO provider will always cost you less out of pocket, so search for one near you to get the greatest savings.

▶ **CREATE A SUBSCRIBER ACCOUNT ON OUR WEBSITE.**

You can check the specifics of your plan, the status of claims, and much more.

▶ **NOW, SMILE!**

You're taking steps to protect your oral health *and* your overall health!

Plus, preventive services — like cleanings and exams — are usually at no cost to you, so there's no reason to wait.
