THRIVE PEER HEALTH EDUCATOR 2020-2021 POSITION DESCRIPTION
University of Denver, Department of Health Promotion

About the Health and Counseling Center
The mission of the University of Denver Health & Counseling Center is to enhance overall student wellbeing and success through inclusive physical and mental healthcare, prevention, education, advocacy, and recovery support services.

About Health Promotion
- Vision: The Department of Health Promotion envisions a future where every member of the DU community will have the opportunity to learn, connect, and thrive in a supportive campus community.
- Mission: Health Promotion works to achieve our vision by cultivating a thriving DU community through education, engagement, and sociocultural change.
- Values: Health Promotion strives to embody the University’s values of Excellence, Innovation, Engagement, Integrity, and Inclusiveness.

About the Thrive Peer Health Educator Program
Thrive Peer Health Educators are a select group of undergraduate student leaders who promote the well-being of the DU campus community through education and engagement. As part of the HCC Health Promotion team, Thrive Peer Health Educators develop programs and implement projects and outreach efforts regarding sexual health, mental health, and alcohol and other drug topics. In addition, Thrive Peer Health Educators serve as HCC ambassadors, as well as liaisons between the DU community and health professionals.

Responsibilities
- Provide educational outreach and tabling activities to the DU community.
- Plan engaging activities and campus events related to Thrive’s content areas.
- Assist in the creation and implementation of innovative programming and projects with the Department of Health Promotion.

Requirements
- Current University of Denver undergraduate student in good academic standing
  o Thrive Peer Health Educators must maintain student status throughout their entire year of service
- No active or unresolved conduct violations
  o Thrive Peer Health Educators must remain in good conduct standing throughout their year of service
- Strong leadership skills with the ability to serve as a proactive, supportive team member
- Excellent written and verbal communication skills
- Ability to work effectively with diverse communities on campus
- Passion and commitment to improving the health and well-being of the DU community
- Availability for occasional evening and weekend events
- Ability to serve for the full 2020-2021 academic year
  o If you are studying abroad during the 2020-2021 academic year, we cannot consider you for the position.

Training
- 20-hour Mandatory Spring 2020 Training for new peer educators will be held on Fridays from 10am-12pm (Apr 3 – May 29) in the Spring Quarter. Training will cover designated focus area content and professional development related to the position. Thrive Peer Health Educators will be compensated for their time. Spring training is required in order to become a Thrive Peer Health Educator.

Hours & Compensation
