About the Health and Counseling Center
The mission of the Health and Counseling Center (HCC) is to provide exceptional, inclusive, integrated health care. We promote student success and wellness through education, advocacy, and outreach to the University of Denver community.

About Health Promotion
• Vision: The Department of Health Promotion envisions a future where every member of the DU community will have the opportunity to learn, connect, and thrive in a supportive campus community.
• Mission: Health Promotion works to achieve our vision by cultivating a thriving DU community through education, engagement, and sociocultural change.
• Values: Health Promotion strives to embody the University's values of Excellence, Innovation, Engagement, Integrity, and Inclusiveness.

JOB DESCRIPTION & INFORMATION
Thrive Peer Health Educators are a select group of student leaders who promote the health of the DU campus community through education and engagement. As part of the HCC Health Promotion team, Thrive Peer Health Educators develop programs and implement workshop and outreach efforts regarding sexual health, mental health, and alcohol and other drug topics. In addition, Thrive Peer Health Educators serve as HCC ambassadors, as well as liaisons between the DU community and health professionals.

Requirements
• Current University of Denver undergraduate student in good academic standing
  o Thrive Peer Health Educators must maintain student status throughout their entire year of service
• No active or unresolved conduct violations
  o Thrive Peer Health Educators must remain in good conduct standing throughout their year of service
• Strong leadership skills with the ability to serve as a proactive, supportive team member
• Excellent written and verbal communication skills
• Ability to work effectively with diverse communities on campus
• Passion and commitment to improving the health and well-being of the DU community
• Ability to serve for the full 2019-2020 academic year
  o If you are studying abroad during the 2019-2020 academic year, we cannot consider you for the position.

Training
• 20-hour Mandatory Spring Training for new peer educators will be held on Fridays from 10am-12pm in the Spring Quarter (April 5-May 24). Training will cover designated focus area content and professional development related to the position. Thrive Peer Health Educators will be compensated for their time. Spring training is required in order to be a Thrive Peer Health Educator.

Hours & Compensation
Approximately 30-40 hours per quarter, $11.10/hour.
