

## University Honors - Verification of Successful Completion of Senior Thesis/Project & Distinction

This form will be used to certify that the student has completed the thesis/project and Distinction requirements for graduation with University Honors. It must be completed and sent to the Honors Program (**MRB 2, or shawn.alfrey@du.edu**) by the end of the seventh week of the graduation quarter. Failure to submit this completed form in time may result in the student not being recognized as having received University Honors in the graduation program. Note that this form is to verify University Honors requirements only. The department must still send verification of satisfactory completion of Distinction requirements to the registrar.

### (Student Completes First)

Complete the student section of this form and submit it to your faculty thesis/project advisor in time for her or him to complete and send it to the Honors Program by the beginning of the seventh week of the graduation quarter.
