Salvation Army Donations

For Residence Halls:

- Bins will be set up in the lobby of each building from **Friday, June 2\(^{nd}\) - Friday, June 9\(^{th}\)**.
- The bins will be labeled (clothing, etc.). Please be sure to place items in the appropriate bins. A list of unapproved items is attached.
- Most electronics will also be accepted (please see the attached list of unapproved items). If they are no longer working, please label or mark them as these will be recycled separately.

For the Apartments Community:

- Mailbox-style donation bins (**shoes and clothing ONLY**) will be available from **Friday, June 2\(^{nd}\) - Friday, June 9\(^{th}\)**.
- These will be set up in front of all apartment buildings except ULofts.
- Additional items, including electronics, will need to be taken to the bins located in residence halls.

Unapproved Items:

- Big/Industrial size office machines (copy machines)
- Desks or wall dividers
- CRT monitors
- Old style TV’s
- Projection TV’s
- Entertainment centers
- Furniture
- Paint, solvents, chemicals, gasoline, kerosene, or propane

**Bicycle Impounds and Summer Storage**

Do you remember that you have a bike locked on campus? The *week of June 18, all bikes will be impounded from racks across campus*. The owners of bikes that are registered on campus, with stickers properly placed, will be contacted before bikes are removed. If you haven’t *registered your bike*, please do so [here](mailto:sustainability@du.edu).

Students, if you are interested in *storing your bike inside* for the summer, please email sustainability@du.edu (this would include a small fee, and bikes will not be available from June 9-September 4). If you would like to *donate your bike* to the campus bikeshare or local non-profits, please email sustainability@du.edu, or drop them off at the bike shop in the basement of Nagel.
