If you arrive prior to your designated check-in time, you will be asked to wait. Early Move-In Requests

Beginning on July 17th, students may also request to move in early via PioneerWeb. Students can choose to pay \$50 per day until their official move-in day (this fee does not apply to new, incoming international students). Through this request process, students can move in as early as Friday, September 1st.

Waitlist

If you did not get your first choice, we can add you to the waitlist:

1. Email us at Housing@du.edu and include your student ID, name, and details of your request (let us know which building/room you want). Students will need to contact our office themselves with all requests, including roommate requests (both students will need to contact us individually).
2. Our office will place students on the waitlist in the order they are received.
3. Please note that space availability is very limited. If our office is able to honor your request, you will be notified by email.

Living with a Roommate

Sharing a bedroom may be a new experience for you. Please visit our “Living with a Roommate” page at <http://www.du.edu/housing/student/movingin/roommate.html> to receive more information, including the Roommate Agreement Form.
