Dear Residents,

Welcome to University-managed housing at the University of Denver! We are happy you have join our community for the 2018-2019 academic year. We’ve created the Guide to Residence Living to introduce you to your new home and explain what is expected of you as a member of the DU Housing and Residential Education (HRE) Community.

HRE’s mission is “Cultivating Individuals & Inclusive Communities.” You will find that we live this mission in a variety of ways, in particular through our core values of Student Development, Staff Development, Sustainability, and Diversity.

The Guide to Residence Living is organized in the following sections:

1. Student Rights and Responsibilities Policies
2. HRE Administrative Policies and Procedures
3. HRE Resources
4. Campus Resources

As specified in the housing contract that you signed, residents are responsible for abiding by the policies set forth in this document. Please read the Guide to Residence Living carefully and contact HRE at 303-871-2246 or housing@du.edu if you have any questions.

Please also visit our website for more information at [http://www.du.edu/housing/](http://www.du.edu/housing/).

We look forward to having a wonderful year together!

Sincerely,

Team Housing and Residential Education
STUDENT RIGHTS AND RESPONSIBILITIES POLICIES

Residential living policies govern all forms of resident and non-resident student conduct within University-managed housing and the surrounding grounds. HRE has established the following policies to achieve the University's goals. The policies are not exhaustive, and HRE reserves the right to amend or expand them as necessary and notify residents of changes in a timely manner.

Students are responsible for knowing and abiding by all University Student Conduct Policies and HRE policies and regulations. Any violation of the following regulations are subject to the HRE Conduct Process and/or a referral to the Office of Student Rights and Responsibilities. The HRE Conduct Process is an extension of the University of Denver Student Rights and Responsibilities Process. For further information on the Student Rights and Responsibilities Process, see the Student Rights and Responsibilities website (https://www.du.edu/studentlife/studentconduct/rightsresponsibilities.html).

In addition to the University Honor Code, students living in University-managed housing must adhere to the following HRE policies:

**Alcohol**

In addition to the Alcohol Misuse policy in the Honor Code, HRE has additional policies regarding alcohol, as described below:

- Students under the age of 21 years are not allowed to be in the presence of alcohol while in the University-managed housing.
- Students who consume alcohol off campus cannot be disruptive when they return to University-managed housing.
- No alcohol may be consumed in or taken into a room/suite/apartment of a student who is under 21 years of age, even if the student’s roommate/suitemate is 21 years of age or older.
- Open containers of alcoholic beverages are only permitted in rooms/apartments of students 21 years of age or older if all students living in that room/suite/apartment are 21 years of age or older.
- Open containers of alcoholic beverages are never allowed in any public area.
- Large quantities of alcohol, including but not limited to beer ball containers and kegs, and devices designed to quickly consume alcohol, including but not limited to beer bongs, are not allowed in the residence halls/apartments. Possession of such items is grounds for potential immediate removal from University-managed housing.
- Empty, full, or keepsake bottles and cans of alcohol are prohibited in all common areas and in the rooms/apartments of residents under the age of 21.
- Items containing alcohol, including but not limited to flasks, boxes, cans, and other containers, are prohibited, whether full or empty, and subject to confiscation.
- Students under the age of 21 are prohibited from receiving alcohol or any alcohol paraphernalia through the mail or other delivery service. These items will be returned to sender.
Air Conditioning Units
Personal air conditioning units are not permitted in any of the residence halls/apartments, unless provided by HRE as a reasonable accommodation, approved through Disability Services Program. University-managed housing does not have the electrical capacity to accommodate these units.

Balconies and Terraces
HRE reserves the right to lock balconies and/or terraces for any reason without prior notice to residents. Residents who have balconies and/or terraces in their suites/apartments will be required to sign a separate balcony use agreement, which includes, but is not limited to, prohibitions on smoking on balconies and terraces, and throwing objects off balconies and terraces.

Bicycles/Skates/Motorcycles/Motorbikes/Skateboards/Scooters/Hoverboards
Each residence hall/apartment building is equipped with bicycle racks. However, HRE does not guarantee space for bicycles for all residents. As specified in the Campus Safety Bicycles Policies, https://www.du.edu/campussafety/policies/index.html, bicycles must be locked in designated areas only with approved U-Locks. U-Locks may be purchased in the DU Bookstore. Campus Safety will either impound or boot any bicycles kept in inappropriate areas, any bicycles locked without using a U-Lock, and bicycles left by residents after they vacate the residence hall/apartment building. Students must claim impounded bicycles from Campus Safety within 90 days or the bicycle may be sold at public auction.

Only walking is permitted in all areas of the residence halls/apartments. Bicycles, skates, motorcycles, motorbikes, skateboards, scooters and hoverboards are not permitted in any area of the resident halls/apartments. Residents and visitors must walk their bike and carry their skates and skateboards. Motorcycles and motorbikes must be stored outdoors. Gasoline cans are also prohibited in the buildings. Hoverboards are prohibited on campus, and Campus Safety will confiscate any hoverboards brought to campus.

Cleanliness
In order to protect the health and safety of all residents, residents must maintain reasonable standards of cleanliness in all residence halls/apartments (including lobbies, hallways, lounges, bathrooms, laundry rooms, and student rooms/suites/apartments). HRE staff will conduct periodic inspections in all rooms, apartments, and suites to maintain clean, safe, and high-quality housing. While HRE will endeavor to notify students of the inspection, notice is not required and inspections can occur at any time and without prior notice to the resident. If HRE staff determines, in its discretion, that a resident(s) has not met cleanliness standards, the University will charge the resident for Custodial Staff cleaning at the current published rates. Residents may not refuse Custodial Staff services at any time.

Residents must keep floors clear of personal items and trash. Residents must deposit their trash in designated areas in a timely manner and cannot allow trash to accumulate. Residents may not empty
their personal trash cans in bathrooms, laundry areas, or in lobby trash cans. Residents must keep hallways, stairwells, and elevators free of personal belongings, including trash. Failure to follow the cleanliness guidelines may result in an hourly fee for staff cleaning time at the current published rates, which will be billed to an individual resident or the residents of the floor responsible for the mess.

**Computer Use**

The university maintains a “Computer and Network Acceptable Use Policy,” which is available at [http://www.du.edu/uts/policies/duaup.html](http://www.du.edu/uts/policies/duaup.html). In addition to the university policy, students in residence halls/apartments must comply with the prohibitions listed below or risk having network access removed from their room/apartment. The following activities are prohibited:

- Installing additional hubs, switches, or routers, including wireless access points, in any room/apartment.
- Accessing another student's computer without that student's permission.

**Disability Accommodations**

Students with documented disabilities (i.e., physical, medical, mental, psychiatric, sensory, etc.) who request a housing accommodation/modification must do the following:

- Submit an application to HRE through the standard housing application process at [https://www.du.edu/housing/student/applying.html](https://www.du.edu/housing/student/applying.html), by no later than the stated deadline.
- Submit a Request for Accommodations to DSP. You may submit the accommodation request at any time. However, if you have received your eligibility notification and Letter of Approved Accommodation from DSP prior to June 8th, HRE will be able to consider your accommodation needs during the regular room assignment process. If you have not received your eligibility notification and letter of approval from DSP by June 8th, you will be placed on a waitlist until a space opens up matching that accommodation. HRE and DSP recommend that students begin the accommodation process as soon as possible because DSP may require up to two weeks processing time after it has received all required documents.

If a student acquires a disability or has a change in a medical condition after the housing assignment process that necessitates a modification in existing housing, the University will make reasonable efforts to implement the modification in the student’s current assigned living space or move the student to another assigned living space.

The University will provide reasonable accommodations, including reasonable on-campus housing accommodations, to enrolled students who incur injuries or other temporary medical conditions that impact their ability to participate in classes. Students with temporary physical/medical/mobility disabilities or conditions should work with the DSP to discuss reasonable accommodations. The University will work to provide these accommodations in a timely manner although some accommodations may require time to coordinate.
If a student acquires a disability or has a change in a medical condition after the housing assignment process that necessitates a modification in the student’s existing University-managed housing, the University will make reasonable efforts to implement the modification in the student’s current assigned living space or move the student to another assigned living space. Housing accommodations will require a housing contract and current housing rates will apply. Please contact the Resident Director of your building for more information and to facilitate arrangements.

In the event of an emergency evacuation, having information about your medical condition/disability needs allows HRE staff to inform first responders which of our students need assistance exiting the building. Please provide this information by contacting the Resident Director of your building or stop by the front desk to fill out the Residence Hall Evacuation Procedures form.

To initiate a request for the University to grant a release from the live-on requirement based on medical condition/disability, students should contact the Disability Services Program to obtain the relevant forms at +1-303-871-3241, by email at dsp@du.edu or visit the Disability Services Program website.

**Drugs**
In addition to the Drug Misuse policy in the Honor Code, HRE has additional rules and responsibilities regarding drugs, as described below:

- Students are not allowed to be in the presence or possession of drugs while in the residence halls/apartments.
- Students who consume drugs off campus cannot be disruptive when they return to University-managed housing.
- Drug paraphernalia is not permitted and will be confiscated.
- Except for prescription drugs provided under the direction of a licensed physician, students are prohibited from receiving drugs or drug paraphernalia through the mail or other delivery services. These items will be returned to sender.

**Emotional Support Animals/Service Animals**
The University of Denver recognizes the roles and benefits that animals have in addressing the needs of individuals with disabilities. At the same time, the University strives to provide a safe and welcoming environment for all members of the DU community. The University works to balance these considerations consistent with the legal requirements of the Americans with Disabilities Act, applicable provisions of the Fair Housing Act, and other applicable state law and local regulations. This involves proactively working to address concerns related to living with service animals and approved emotional support animals, as well as establishing systems and supports that promote high standards of animal welfare for such animals.

Service animals are dogs or miniature horses that are trained to do work or perform tasks for an individual with a disability where the work or tasks are directly related to the individual’s disability. Service animals are permitted to accompany their handler in most, but not all, campus housing. Students with a service animal wishing to live in University-managed housing are encouraged to update
the voluntary registration of their service animal with HRE each time they change their University housing locations. This allows HRE to make appropriate accommodations for other students, faculty or staff who may have allergies, phobias, or service animals of their own.

Emotional support animals (ESAs), which can be a wider variety of species, assist in the treatment of an individual with a disability. Students seeking to have an ESA in University-managed housing must submit a request for approval through the Disability Services Program (DSP) before bringing the animal on campus. To make a request, students must complete and return the Request for Accommodation and provide supporting documentation to DSP, as specified in the Documentation Guidelines. The student must demonstrate a relationship or nexus between the individual’s disability and the assistance the animal provides, using documentation from an appropriate licensed healthcare or mental healthcare provider, dated within six (6) months prior to taking occupancy of University-managed housing. The University engages in an interactive process with students requesting to have an ESA in University-managed housing to determine whether the request is reasonable and does not pose an undue hardship on the University or present a danger to members of the community or their property. Typically, the University does not allow multiple ESA’s. However, the University will evaluate such requests on a case-by-case basis, considering the information contained in supporting documentation as well as the size and/or species of the animal(s).

Once the student has received approval for an ESA through the DSP, the student must meet with HRE staff, within three (3) business days of bringing the ESA into University-managed housing, to review the student’s responsibilities. The student must keep the approved ESA only in the individual living space assigned to the student, except when the student is taking the ESA outside for natural relief. Approved ESAs are not permitted in any University facilities other than the student’s assigned individual living space, including, but are not limited to, kitchens and food service preparation areas. The student is responsible for maintaining control of the ESA at all times and for any disruption caused by the ESA in University-managed housing. The student is responsible for caring for the ESA, including but not limited to immediately cleaning up after and properly disposing of the animal’s waste in a safe and sanitary manner. If a student is personally unable to care for the ESA, the student is responsible for arranging and paying for this service.

If you have an allergy, phobia, or other disability reason that you would not be able to live with an approved ESA or a service animal, you must request accommodations for such allergy, phobia, or other disability through DSP. The DSP shares all approved housing-related accommodations with HRE for appropriate housing placements. For further information, please contact the Disability Services Program at +1-303-871-3241, by email at dsp@du.edu or visit the Disability Services Program website, or please contact the HRE Office directly at +1.303.871.2246 or housing@du.edu.

FIRE SAFETY
To promote fire safety and avoid fire hazards, HRE has established the following fire safety precautions for the residence halls/apartments.

A resident cannot set a fire in University-managed housing.

**Fire Safety - Evacuation**

If a fire or smoke detector alarm sounds, residents must immediately vacate the building via the nearest stairwell and proceed at least 100 feet (30 meters) outside the building until a HRE staff member or Campus Safety officer allows residents to reenter. Students must fully cooperate in all evacuations. Failure to evacuate the building in the event of an alarm sounding will result in disciplinary action.

**Fire Safety - Prohibited Items**

Possession or use of the following is prohibited:
- Halogen lamps
- Incense
- Candles
- Candle warmers
- Butane Torches
- Open flames
- Space heaters (except those provided by the University)
- Propane of any kind
- Grills
- Hoverboards

Additionally, the use of toaster ovens, toasters, electric frying pans, George Foreman type grills, crock pots, rice cookers, pressure cookers, and open heating elements is prohibited except in suites/apartments with kitchens.

We encourage residents to use surge protectors on all electronic equipment.

**Fire Safety - Allowed Items**

Coffee makers, hot pots, air popcorn poppers, and microwaves (maximum 600 watts and/or 1 cubic ft.) are permitted.

**Fire Safety - Tampering with Equipment**

HRE policy prohibits tampering or interfering with any kind of fire emergency equipment and setting fires of any kind. This prohibition includes, but is not limited to, tampering with or hanging something from a smoke detector, sprinkler head, or sprinkler line; pulling or calling in a false alarm; discharging or removing a fire extinguisher or hose; breaking the safety glass on the fire extinguisher case; propping open fire doors; or leaving an area through a locked fire door. In addition to other disciplinary measures, violation of this prohibition will result in the University imposing a fine and requiring the student to pay
repair costs, costs for any damages incurred to university property or other individual’s personal property.

**Firearms, Explosives, Fireworks, Weapons**

Firearms (actual or novelties/toys reasonably resembling actual firearms), explosives, fireworks and similar devices, and weapons of any kind that can create a potential safety hazard are strictly prohibited in the residence halls. Weapons include, but are not limited to, any knife with a blade over three inches, guns, pellet guns, paint guns, tasers, bows and arrows, machetes, ninja throwing stars, nun chucks, grenades or other explosive or incendiary devices, swords (including decorative), and any other illegal weapon. All ammunition for any type of firearm is strictly prohibited. University officials also have the discretion to determine that additional objects are unsafe for the community and confiscate these items.

**Furniture**

Furniture is to be used as designed and may not be removed from its original location. No other construction or configurations of furniture are allowed (e.g. lofts, stacking of furniture, bed lifts, or stacking on concrete blocks). In addition to any charges for repair or replacement of damaged furniture caused by misuse, HRE may assess a minimum $75 fine for misuse of furniture or other construction in rooms. Lounge furniture and other University property is placed in common areas for common use. Residents may not take, borrow or add additional furniture to the lobby areas for their own personal use.

Residents may not remove the closet doors. If residents violate this policy, they will be subject to disciplinary action including a minimum fine of $50 per item per incident, as well as payment of the cost of any damage incurred.

The mattresses in residence halls/apartments range from full to twin extra-long (36" x 80" x 7"). Residents may obtain bunk bed pins and request bunk bed rails at the residence halls front desk to bunk their beds.

**Guests**

To protect the safety and comfort of all residents, HRE has established the following guest policy. Residents should be aware of their surroundings and what is happening in their living community, and inform the front desk or a HRE staff member of anyone in the residence hall who is causing a disturbance.

- Residents are responsible for escorting their guests within the building at all times and are responsible for their guests' behavior at all times.
- Guests are required to present photo identification and sign in at the front desk.
- Unescorted non-DU visitors may be asked to show identification, identify the person they are visiting, and return to the front desk with their host to sign in if they haven’t already done so.
Failure to cooperate with HRE staff’s requests will result in immediate removal from the building.

- Providing keys or access cards to non-residents, including other DU students who are not residents of the same building, is strictly prohibited.
- Each resident has the right to have visitors and guests with explicit prior permission of room/suitmates. At the same time, every resident has the right to privacy in their room. Your right to have visitors does not supersede your roommate's right to privacy. Your roommate or an HRE staff member can require that your guest(s) leave immediately, and if your guest(s) fails to do so, you and your guest may face disciplinary action.
- Cohabitation (allowing someone other than your designated roommate to live in your room) is not permitted.
- Visitors are limited to a maximum of two nights per 7-day week with the explicit prior permission of room/suitmates.
- Unless gender neutral bathrooms are available in the residence hall, guests and visitors are required to use gender specific bathrooms that match their gender expression. This may mean that a guest/visitor must use facilities on another floor or hallway.
- If guests stay overnight, they must sleep in their host's room or apartment. Neither guests nor residents are permitted to sleep in lounges or other common areas under any circumstances. Neither guests nor residents are permitted to sleep in a roommate’s or suitemate’s bed without explicit prior permission of that person.

Hazardous Materials

Hazardous materials including, but not limited to, gasoline, propane, chemicals, flammable liquids, butane torches, and gas grills are not permitted in the residence halls/apartments under any circumstances.

Identification Cards

A Pioneer ID card is used to verify the identity of residents. For security reasons, a residence hall staff member will routinely ask residents entering a building to show their Pioneer ID card. Pioneer ID cards are not transferable. Students may not lend their Pioneer ID card to another student or guest for any purpose including, but not limited to, entry to a building, misrepresentation of age or the purchase of meals. Students must report a lost Pioneer ID card to the Pioneer ID Card Office immediately and must get a new Pioneer ID Card to be able to access the residence halls/apartments and the elevators/stairways of their building.

Keys

Lost keys may jeopardize your own security and the security of other residents. For these reasons, residents are prohibited from making or purchasing an unauthorized key. Students may not have in their possession a key to any room or apartment other than their own, nor may they have more than one key to their own room.
If a resident is locked out of their room, the resident can checkout a lockout key from the front desk of their building, but must return the key to the front desk 15 minutes after checking it out. Failure to return the lockout key within 15 minutes will result in a fine.

Residents must report lost keys to the front desk or apartment office immediately. To protect your safety and the safety of the community, HRE will re-core the lock for any lost keys will assess a re-core charge at then current rates to your student financial account. This charge will apply regardless of where or how their key(s) went missing. Because of safety concerns, students may not provide their own replacement keys or refuse a re-core of the lock for their room.

**Marijuana Policy**

Colorado law allows individuals to possess a limited amount of marijuana for medical and recreational purposes. Although the use of marijuana is not a criminal offense in the state of Colorado, the University prohibits the possession, use, manufacture, and/or distribution of marijuana on campus, including in the residence halls and apartments. Additionally, HRE prohibits marijuana paraphernalia in the residence halls or apartments. Possession of a Medical Marijuana Registry Identification Card does not authorize students or guests to possess, use, manufacture, or distribution marijuana on campus property.

**Mailbox Use**

HRE does not permit any mailbox stuffers from any student group or organization without prior approval. HRE provides approval for mailbox stuffers on a very limited basis for HRE business. Please contact our main housing office (housing@du.edu or Nagel #130) if you are requesting mass distribution of any fliers/mailers for residents.

**Noise**

Noise is a particular concern in residence hall and apartment communities where many students live and study together in a relatively small space. HRE expects all residents to show courtesy and consideration of others at all times. All residents are responsible for their own noise levels, as well as the noise levels of their guests. Noise that intrudes on others right to sleep and study is prohibited. Reasonable quiet in areas outside the residence halls and apartments must be maintained. Noise will be considered disruptive if it can be heard through a closed door or window. Excessive bass, loud music, running and shouting in the hallways, yelling out windows, and door slamming are always considered unacceptable.

Residents who are being disturbed by noise are encouraged to respectfully approach others to request they reduce their noise. Should a resident need help handling a noise complaint, contact the front desk of your building, and an HRE staff member will provide assistance.

**Minimum quiet hours**

For the entire residence system, quiet hours are as follows:
Sunday – Thursday: 10pm – 7am
Friday and Saturday: 12am – 9am

During quiet hours, residents need to be particularly conscious of their noise levels, and excessive noise will be documented. A floor community may choose to extend quiet hours.

*Courtesy hours*

Courtesy hours are in effect 24 hours a day.

*Finals week quiet hours*

24-hour quiet hours will be in effect.

*Open Space Agreement*

If you are living in a room, suite, or apartment with one or more unoccupied spaces, you need to be prepared to receive a roommate at any time and MUST keep the unoccupied spaces clean and completely open at all times without any items on the bed/desk/dresser/closet. The Custodial Staff will not be able to clean the room until the space is completely cleared. If the space is not cleared and Custodial Staff needs to return, the resident who has occupied both sides of the room or more than the allotted space in an apartment will have fees assessed for each time Custodial Staff must return.

HRE will strive to notify you ahead of time if you will receive a roommate; however, HRE cannot guarantee that you will receive advanced notice. If your room is not ready to receive a roommate at any time, you will be assessed a $50 per day fine for occupying more than your assigned space in the room, suite, or apartment, as well as any additional costs incurred to return the room, suite, or apartment back to a ready state for new students.

*Painting of Rooms or Housing Common Spaces*

HRE prohibits painting, spray painting, drawing, chalking, etc. of student rooms/apartments or common areas, including walls, ceilings, and furniture. The resident will be assessed fees for any repair or painting.

*Pets*

For the health, safety, and comfort of all residents, pets (with the exception of freshwater fish in aquariums or tanks of 10 gallons or smaller) are not allowed in the residence halls/apartments. If HRE staff discover that a resident has a pet, the resident must immediately remove the animal to an off campus location, and to reduce potential allergens, HRE will assess a charge for cleaning at the current published rates. HRE will also charge for repair of furnishings and facilities, and to reduce potential allergens in the space. HRE will also assess a $50 fine per incident each time the pet is reported in the residence hall/apartment. In addition to possible disciplinary action, residents who repeatedly violate the prohibition on pets may face relocation or removal from University-managed housing.
**Posting Policy**

Because there is limited space within each residence hall/apartment building, HRE limits postings from student groups and organizations to one posting per residence hall/apartment building. The flyer should be left at the Housing Office, located in Nagel Hall, to be stamped before being distributed. The Desk Manager will post approved flyers for no more than one week. HRE will remove any flyer that is not approved. Flyers approved by the Driscoll Student Center Front Desk are not approved for posting in residence halls/apartments.

**Roofs and Ledges**

HRE prohibits residents and their guests/visitors from being on or hanging anything on roofs and ledges of residence halls/apartments.

**Room (Unauthorized) Change:**

Any room change or room swap that is not facilitated by HRE staff is considered unauthorized. Moving or swapping rooms at any point without *prior* HRE approval will result in disciplinary action and/or fines of a minimum of $25 per day. In addition, residents will be responsible for charges incurred (re-coring locks, lockouts, cleaning, damage, improper checkouts, etc.) in the original room assignment and also the unauthorized space(s). For information regarding approved room changes, please refer to the section on Room Changes and Living with a Roommate (p. 15) under HRE Administrative Policies.

**Smoking**

Pursuant to the University’s smoke-free campus policy, the use of smoking products is prohibited on campus, both outside and inside any campus buildings, including, but not limited to, University-managed housing. Prohibited smoking products include, but are not limited to, all cigarette products and smoke-producing products, hookahs, e-cigarettes, water pipes, pipes, vapor pens, and other vapor products. Students are prohibited from receiving smoking products through the mail or other delivery services. These items will be returned to sender. Any resident who violates this prohibition will be charged for any damages related to smoking in the residence halls or apartments for any repair, cleaning and/or painting of university property.

**Solicitation**

For security reasons and to prevent annoying disturbances, solicitors are not allowed in the residence halls or apartments, with the exception of HRE affiliated groups and approved activities. This includes campaigning for any on-campus elections. We do not allow the sales of any product that is a non-HRE sponsored group, event, or function.

**Sports Activities**

Due to the potential for personal injury and property damage, playing ball, water games, Frisbee, snowball fights, hockey, wrestling, etc. is not allowed in or immediately surrounding the residence halls/apartments. In addition, riding skateboards, scooters, and bicycles, or wearing skates are
prohibited in all areas of the inside residence halls/apartments. Skates and skateboards should be carried within the buildings. Students are responsible for any damage incurred by their failure to comply with this policy.

**Trespassing**
Any individual who enters the University of Denver residence halls/apartments after being restricted from entering is considered to be trespassing. Campus Safety and/or the Denver Police will be called to remove the trespasser.

**Waterbeds**
Because of weight restrictions and the limitations of our facilities, HRE prohibits waterbeds in all residence hall rooms and apartments.

**Windows**
Because of the danger to persons or property, the act of throwing, hanging, or dropping any item, liquid or solid, from or at any window, balcony or terrace is strictly prohibited. Exiting or entering a room through any window or terrace is likewise prohibited as is sitting in or on window sills. In addition, screens must remain on windows at all times. Residents will be charged for replacement if window screens are torn or damaged. No modifications of or additions to window units may be made. Window limiters may not be removed at any time by residents for not only safety reasons, but to prevent damage that can occur in high winds. Residents found in violation of this policy will likely be relocated should space allow or removed from University-managed housing and be fined $100. Such violations may also lead to criminal charges as well.

**HRE ADMINISTRATIVE POLICIES**

**Administrative Moves**
HRE reserves the right to reassign students within the residence hall system for reasons HRE deems appropriate. These reasons may include occupancy needs, facility problems, vandalism, student misconduct, discrimination, patterns of inappropriate behavior that negatively affect the community, established residence hall/apartment priorities, or any other reasons deemed necessary for the community. If a roommate conflict(s) cannot be resolved, one or all residents may be moved from the room to another room.

**Check-In/Check Out Procedures**

*Check-In*
There are many steps involved in checking into your new home. Be sure to check the condition of your room/apartment and note your comments on the “Room Inspection Form” online within 72 hours of
checking in. If you do not complete the “Room Inspection Form” within 72 hours, you agree to accept the room without any damage or flaws. You will be found liable for all damage upon check out. Instructions on how to complete the “Room Inspection Form” are included in your welcome email. If anything is not in working order or needs attention from our custodial or maintenance staff, you must inform a HRE staff member or submit a work order online (pg. 24). If a roommate has yet to arrive, please remember to leave half of the room open (which includes one closet, desk, desk chair, bed, and bookshelf) or the equivalent space in an apartment.

**Mid-Year Check-out Procedures**

The following procedures must be completed in order to checkout properly and avoid an improper checkout fee during the academic year. (If you have additional questions consult a HRE staff member.)

- Take all of your personal belongings out of the room/apartment prior to your checkout time.
- Make sure your half of the room/apartment is clean and ready for inspection prior to your checkout time.
- Review the Room Inspection Form with a HRE staff member during checkout to assess the condition of your room/apartment.
- After maintenance and custodial staff check your room/apartment after you leave, you may be assessed additional charges. Also, you may be assessed group billing charges that have accrued during your time residing in the residence hall/apartments. These will be assessed to your student account.
- Return all of your keys/keycards to the RA or Apartment Fellow who is checking you out. Failure to do so will result in charges for re-coring locks and replacement of keys.
- Unless you make arrangements in advance, your meal plan will automatically be cancelled when you complete proper checkout procedures. Please consult HRE for details.

Your residence hall room or apartment contract is for the entire academic year. The only reasons for checking out during the academic year are:

- Withdrawal or stop-out from the University. Contact the Center for Academic Resources if you are an undergraduate or your department if you're a graduate student;
- If you are not registered in courses for the quarter;
- Study abroad;
- Medical Leave of Absence;
- Contract release approval;
- Graduation; or,
- Conduct removal.

If you are withdrawing or “stopping out,” you must notify HRE and checkout of your room within 48 hours of withdrawing. If you are moving out due to contract release or conduct removal and want to continue your meal plan, you must contact HRE and sign an off-campus meal plan contract. (See the Prorated Schedule section of this Guide to find out more on how your charges will be adjusted.)
If you move out and one of the above situations does not apply to you, you will continue to be billed for the remainder of the contract period for both your room and meal plan.

**Scheduling a Checkout**

1. **Express Checkout:** At the front desk of your building, there is an express checkout box where you can drop your room/mailbox keys. Write your name, student ID, and room number on the envelope located at the front desk, put the keys inside, and drop off your envelope in the Express Checkout box.

   *Please know that by choosing the Express Checkout option, you are forfeiting your right to appeal any damages*.

2. Arrange a time to checkout with a HRE staff member at least 24 hours prior to your departure, starting with your Resident Assistants (RA). However, any available HRE staff member may check you out.

3. You can stop by your front desk between 5-7pm to checkout with a desk staff member.

   *If you live in the Apartments Community, this option does not apply.*

**End of Year Check Out Procedures**

At the end of the academic year, every student living on campus is responsible for checking out of their room before 9 a.m. the Friday of finals week. Resident Assistants will hold mandatory floor meetings to share information about procedures required for end of year checkout. Students are responsible for attending those meetings. Students who are unable to attend the mandatory floor meetings are responsible for following up with a HRE staff member to learn the check out procedures.

**Contract Release**

Your housing contract is a legally binding document. Releases from the contract are very rare and are granted by a designated committee. The committee will consider your request after you have completed all the necessary steps. Requests to be released during the current term will not be approved. To start the release process, you must meet with an HRE Operations team member to review the forms and learn about the process. You can set up a time by calling the HRE Main Office at 303-871-2246 or stop by the main HRE office in Nagel Hall, #136 to set up an appointment. Additional details are available on our website ([https://www.du.edu/housing/resources/release.html](https://www.du.edu/housing/resources/release.html)).

**Damage Charges**

When property damage occurs, violations may be submitted through the Student Rights and Responsibilities system. Although most damage assessments are made at the end of the year, some residents may be charged during the term. The two types of charges students may be assessed are for individual damages and group damages.
**Group Damages Charges**

When there is excessive and/or malicious damage to a public area and HRE cannot identify the responsible individual(s), the University reserves the right to assess group billing charges to the residents of a floor or wing. This means that everyone on the floor or wing shares the cost of the damages.

When common area damages occur such as in a floor lounge, hallway, or bathroom, HRE staff will attempt to determine the responsible individual(s). HRE will send an email to the community members to notify them of the damage and approximate cost of repair or replacement. You should attempt to identify individuals responsible and report damage and vandalism to the HRE staff immediately in order to avoid group damage charges.

If you are not returning to on-campus housing for the following academic year, your housing deposit refund will be credited to your student account approximately 30 business days after your residence hall closes.

**Housing Contract**

You sign your housing contract electronically when you complete the online housing application. The housing contract is a legally binding document for the entire academic year. Separate contracts are signed for the summer term. If you have any questions concerning your contract or this Guide, contact Housing and Residential Education at 303-871-2246. The main Housing and Residential Education office is located in Nagel Hall. Our office hours are 8:00 am - 4:30 pm Monday through Friday, excluding University holidays.

**Individual Damage Charges**

You are provided an electronic Room Inventory Form when you move in. You should carefully inspect every aspect of your room/apartment and make a note of pre-existing damages. Damages not noted on the inventory form at check-in will be charged to you at checkout. You have 72 hours from the time that you move-in to complete the inspection form. If you do not complete the form within 72 hours, you will be deemed to have accepted the room without any damage or flaws. Charges for damages to common areas in the room/apartment are shared by you and your roommate and are assessed accordingly. If your roommate leaves before the end of the academic year and damage is found at that time, both roommates can be assessed the cost of repair. For information about specific damage, contact your Resident Director.

**If you are Released from Your Housing Contract**

If the committee releases you, you must checkout properly in order to avoid any improper checkout fees. Please refer to the check out process in previous sections. Any cancellation of your housing contract could result in the automatic forfeit of the $200 housing deposit. In addition, you may be charged a $1,000.00 cancellation penalty. Housing charges will not be adjusted until a proper checkout has been completed.
Meal Plan Prorated Schedule

An approved cancellation of the contract for your room also automatically cancels the meal plan. If you are continuing as a student and wish to keep your meal plan, you must sign an off-campus meal plan contract at HRE’s main office before your checkout. Prorated meal plan fees are calculated according to the number of meals/meal plan cash used or a daily rate, whichever is greater. If a daily rate is used, prorated fees are calculated beginning with when the meal plan begins and ending with the date the meal plan is taken off of the ID card system. (Note: this may be later than the date of checkout recorded on the personal data card because of the difference in processing time.)

Medical Marijuana Accommodation Contract Release Process

Students who receive a Medical Marijuana Registry Identification Card may request a release from their campus live-on requirement by completing the Medical Accommodation Contract Release Request. Please note: In addition to a copy of a Medical Marijuana Registry Identification Card, students must be examined by a doctor recommended by the University’s Health and Counseling Center to verify that medical marijuana is the most appropriate treatment for the stated medical condition. Once this process is completed, the Medical Accommodation Contract Release Committee will review the contract release request. Students who receive a Medical Marijuana Registry Identification Card during the academic year will have their request reviewed at the next Medical Accommodation Contract Release Committee meeting. These meetings typically occur every 8 weeks.

Open Space Agreements

In the event that you have an unoccupied space in your room, suite or apartment, you will be sent an Open Space Agreement via email by an HRE staff member. To prepare for a potential roommate/suitemate, you will need to make sure all of your belongings are on your side of the room—and that you occupy only one set of furniture and one closet space in the room. An HRE staff member will come by to check your room, suite, or apartment periodically to make sure it is ready to receive a new resident. DU’s Custodial Staff will also be entering the space to clean the unoccupied spaces as well. Please make sure you are not preventing the Custodial Staff from cleaning the unoccupied spaces. Students interested in this open space may stop by the room to meet you and see the space at any time. HRE expects that you will be courteous and treat these students with respect.

Prorated Schedule

HRE uses the following guidelines to determine prorated room and meal plan charges. Until the keys are returned and the check out is completed, HRE will charge a fee for each night’s stay. For sample prorated rates for your situation, contact the main HRE office located in Nagel Hall.

Room and Apartment Entry by Staff

University staff may enter student rooms and apartments for a variety of reasons. HRE tries to give students a 24-hour advanced notice; however, HRE may not be able to do so. If a policy violation is discovered in any of the situations below, the violation will be documented and may result in
disciplinary action. University officials, including HRE staff members and Campus Safety, may confiscate items which are in violation of university and residence hall policies, including but not limited to: candles, incense, alcohol, drugs, controlled substances, false identification, illegal plants, weapons, and drug paraphernalia. Items may be discarded or turned over to Campus Safety for further investigation.

Reasons for Room Entry:
- Fulfill custodial, maintenance, or computer/cable service needs;
- Investigate suspicion that the welfare and/or rights of other members of the University community are being infringed upon;
- Investigate danger to a student or danger to the property of the student or the property of the University exists;
- Investigate fire safety issues;
- Investigate suspicion of policy violation;
- Check that closing procedures for break periods were completed;
- Turn off alarms, stereos, or other devices that are causing a noise disturbance;
- Cleaning and maintenance inspections;
- Confirm room has been vacated during fire alarm;
- Confirm room is ready for a new resident;
- Confirm space has been vacated by resident if they were scheduled to have been moved out; or
- Disruptive noise caused by an animal (whether emotional support animal, service animal, or unauthorized pet).

Room Changes and Living with a Roommate

Learning to live with someone is not always easy. Good communication is the key to successful roommate relationships. At the beginning of the year, you and your roommate must fill out a Roommate Agreement that establishes ground rules for your room. It is important to be honest about your living needs during this conversation – as well as be willing to compromise when your needs differ significantly from your roommate’s. Should a conflict arise during the academic year, you should review your Roommate Agreement with your roommate. If you are unable to work out a solution to your conflict, speak with your RA to set up mediation between you and your roommate. If the problems in your room persist, you can work with your Graduate Resident Director (GRD) or Resident Director (RD) to further mediate your conflict or possibly facilitate a room change. Outside of room change day during the fall, winter, and spring quarters, HRE will not grant room changes without going through the mediation process, and the GRD or RD must have approved the room change.

Room Change Day for the Residence Halls

If you want to change rooms at the beginning of fall or winter quarter, you must wait until the scheduled Room Change Day. This waiting period is for the HRE staff to confirm new and returning student arrivals and determine space availability. This also gives new roommates time to get acquainted and discover if their living styles are compatible. If you wish to change rooms for spring quarter, you will need to contact your Resident Director to set up a meeting.
If you want to change rooms, bring all of the residents involved in the move to the room change table during the designated time. If everyone involved in the move agrees to the new arrangement, the GRD or RD will give instructions for the room change process at that time. Contact your RA or RD to find out dates and location for each quarter’s Room Change Day.

**Room Prorated Schedule**

For approved move outs, prorated room fees are calculated on a daily basis. You are charged for each night beginning when the halls open and ending the last night of stay prior to completing proper checkout procedures (see the Check Out Procedures section of this Guide). You are charged according to the date in which you checkout and your keys have been returned. If you do not complete a proper checkout, HRE will charge room fees on a prorated basis according to the date listed by HRE staff on the checkout paperwork when HRE has determined you are gone and are not returning.

**Student Status**

For students who start their residence in University-managed housing after the start of fall quarter, the term begins on the check-in date indicated in the housing placement notification and ends on the last day of spring quarter, as listed in the Academic Year Calendar published by the Office of the Registrar. Only full-time degree-seeking students (12 credits for undergraduates and 8 credits for graduate students) at the University are eligible to live in University-managed housing. If a student is living in housing and drops below full-time, they are considered ineligible to remain in housing and will have 48 hours to vacate their space.

HRE will consider, on a case-by-case basis, allowing special status students to receive housing placements or a short extension to their move out time. Anyone who is not currently enrolled in the current quarter must vacate University-managed housing with their belongings in the time coordinated with HRE, but no longer than 48 hours.

HRE may consider a student’s disciplinary status as a factor in determining a student’s eligibility for University-managed housing. If a student residing in University-managed housing is suspended from campus for any period of time, they are required to leave housing within 24 hours. Other living arrangements must be made and paid for by the student or someone else on behalf of the student.

**Two-Year Live on Requirement**

The two-year live on requirement is fulfilled by the following criteria:

- A student has completed two full years of attendance at the University of Denver or another accredited post-secondary institution before the residence halls/apartments open for fall quarter. For example, a transfer student who has attended another accredited institution for at least two years is exempt from the live-on requirement. The student’s experience must be at an institution of higher education and cannot include high school or boarding school experience.
- The student is 21 years of age or older before the residence halls/apartments open for fall quarter.
- The student is legally married or in a legal civil union and can provide legal documentation of the relationship.

**What if I am in A Double Room or Apartment by Myself?**

If you find yourself in a double room or apartment without a roommate, you must abide by the Open Space Agreement. This agreement shows your understanding that the other half of your room/apartment should be ready at all times for another student to move in. You will receive this agreement via email. Failure to read the agreement does not mean that you will not be assigned a new roommate.

If you are in a double room by yourself, you are expected to keep all of your belongings on one side of the room and keep the other side clean and open for a potential roommate assignment. This means you should only occupy one bed, one desk, one dresser, and one closet. If you have an open room in your suite/apartment, you are also expected to keep the suite/apartment clean and open for a potential roommate assignment. Roommate assignments can happen at any time during the fall, winter, or spring quarters, including break periods. Your room must be kept in a condition that allows a person to move into the space without encountering your belongings. You may not attempt to keep a potential roommate from moving in or to force a new roommate to move out and will be reported to Students Rights and Responsibilities.

If you do not abide by the terms listed above (e.g. keeping one side of the room clean, keeping the suite/apartment clean, etc.), you may be assessed a fine or charged for a single room or single apartment retroactive to the beginning of the current term, or you may be relocated. An HRE staff member may enter your room or apartment and move your belongings to one side of the room or in the apartment to prepare it for a roommate. If this occurs, HRE will charge you for this service and this will be seen as a violation of the non-compliance policy and will be reported to Students Rights and Responsibilities.

**Winter Break Procedures**

- Students may keep their belongings in their rooms and can expect to remain in their assigned rooms throughout the entire academic year unless moved for approved administrative reasons.
- Centennial Towers, Nagel, Nelson, and the Apartments Community are open during Winter Break.
- There are not any temporary housing options over winter break for students assigned to either Halls or JMAC. However, HRE will have a fall Room Change Day that will take place the third week of the fall quarter. Based upon available spaces, students
interested in staying over winter break can do a permanent move to Centennial Towers during that time.

- Dining services will not be available during the winter break. Students will need to plan and provide their own meals during this time.

The Flex Account is a declining balance account set up though the Pioneer ID Card Office (303-871-4545) or [http://www.du.edu/pioneercard/](http://www.du.edu/pioneercard/), and is good for many on-campus and off-campus options. Look at [https://www.du.edu/pioneercard/yourcard/locations.html](https://www.du.edu/pioneercard/yourcard/locations.html) to see where to use your Flex Account. This
option is especially convenient for College of Law and Graduate Tax students whose academic calendars do not coincide with the active meal plan dates.

Dining location hours vary by facility and are clearly posted at all times. Dining services on campus will be closed during break periods. Admittance is with purchase only. You are required to present your DU ID card at the time of purchase. Cashiers cannot take any other forms of identification. Shoes and shirts are required at all times. Residents must report lost keys to the front desk or apartment office immediately. If a key is lost, HRE will re-core the lock and will assess a re-core charge at then current rates to your student financial account. Students may not provide their own replacement keys or refuse a re-core of the lock for their room.

**Personal Property Insurance Coverage**

The University and HRE are not responsible for lost, stolen, or damaged personal belongings in the residence halls/apartments. The University is also not responsible for damage caused as a result of water due to sprinkler system discharge or pipe breaks. If you experience any damaged, stolen, or lost property in the residence halls, you should process any claims through your homeowner’s insurance policy. We recommend that you consult your insurance policy to confirm that your personal belongings are covered. If not, we recommend you obtain a renter’s insurance policy from the company of your choice.

For detailed instructions on how to connect your personal computers and how to use the DU printers, please refer to the following instructions: [https://www.du.edu/it/support/how-to/students/printing](https://www.du.edu/it/support/how-to/students/printing).

**Recycling and Sustainability**

Recycling bins are available in every student room and in the lobbies of the residence halls. We have single stream recycling, which means you can put all recyclables in the same bin. For details on what can and cannot be recycled on campus, please see [http://www.du.edu/sustainability/index.html](http://www.du.edu/sustainability/index.html).
SAFETY RESOURCES AND PROCEDURES

Campus Safety
For your protection, Campus Safety staff members are available 24 hours a day. For non-emergencies, call (303) 871-2334. For emergencies, call (303) 871-3000. We recommended that all students sign up for campus safety emergency alerts through PioneerWeb http://www.du.edu/campussafety/.

Keep the following safety tips in mind:

- Remember to lock your room/apartment doors and windows at all times.
- For your safety and the safety of others, do not prop open outside building doors at any time.
- Help Campus Safety keep our campus a safe place to live by reporting any suspicious behavior immediately.

Fire Evacuation
- Exit the building immediately in a safe manner. If you are not in your own room, do not go back to your room to retrieve items or to do any of the following checklist items.
- Close all windows.
- Check to see if the doorknob is hot. If it is hot:
  - Do not open your door,
  - Wait in plain view next to your window, and
  - Open blinds and leave your lights on.
- If your doorknob is not hot:
  - Take a dampened towel and cover nose and mouth to prevent smoke inhalation.
  - Put on shoes.
  - Close room door behind you.
  - Go to the exit stairway closest to your room/apartment – do not use the elevator.
  - If the outside exit door does not open immediately, kick the emergency strike plate.
- Once you have evacuated the building, please proceed immediately to your building’s rally/gathering point for further information. Rally points are as follows:
  - Centennial Halls residents rally/gather at Centennial Towers main lounge.
  - Centennial Towers residents rally/gather at Centennial Halls main lounge.
  - Johnson-McFarlane residents rally/gather inside the Nelson cafeteria.
  - Nelson and Nagel residents rally/gather at the Johnson-McFarlane main lounge and classroom.

Please provide this information by contacting the Resident Director of your building or stop by the front desk to fill out the Residence Hall Evacuation Procedures form.
University, city, and federal codes require that a person vacate a building when a fire alarm sounds. You are responsible for evacuating your building as quickly and as safely as possible. Failure to observe this regulation may result in University and criminal sanctions.

**Telephone Services**

HRE does not provide phone lines.

**Tornado Warning**

- Move to an enclosed area away from glass windows and doors.
- Do not go outside.
- Go to one of the following areas to stay during a tornado: basement of your building, interior stairwells without glass windows on the lowest floor, or the interior bathroom area of your floor/apartment.

**Transportation**

The University has engaged Chariot shuttles to provide a pilot program for transportation around the campus for the DU community. Chariot provides students, staff and faculty with free shuttle rides from 7 a.m. to 7 p.m. each day. Chariot has accessibility features that allow riders to specify that they will need a vehicle with wheelchair access in their app settings. The DSP office may also assist students in determining which transportation resources may best fit their needs while off-campus.

**What If You Need Help?**

We have an extensive on-call/duty system within our department. There are always RAs on duty in each building each night of the week and on weekends. In addition, we have Graduate Resident Directors or Resident Directors on duty 24-hours a day, every day of the year. Should you need after-hours assistance, please invoke our duty system by calling your front desk or Campus Safety.

**Wireless Internet**

Wireless networking is provided in residence rooms and is available in common areas of each residence hall (cafeterias, large lounges, etc.). To make sure your connection to the campus network works, your computer should meet the requirements posted on DU’s Web site at [http://www.du.edu/laptops](http://www.du.edu/laptops). If you have any questions or need to request help with your computer, contact the IT helpdesk at 303-871-4700. To provide for a secure and trouble-free computing environment, HRE prohibits the installation of routers and wireless access points in the residence halls.
