

2016–2017 BENEFITS OPEN ENROLLMENT

OPEN ENROLLMENT May 1–May 15

Your current benefits will automatically carry over to the new plan year. The only exception is flexible spending accounts, which require a new election every year.

During open enrollment, log into PioneerWeb to:

- Make your flexible spending account elections.
- Newly enroll in coverage.
- Change plans.
- Add/drop dependents.
- Drop coverage.

All elections must be submitted by May 15. Elections submitted after this date cannot be accepted.

Your benefits are effective July 1, 2016, through June 30, 2017.

Remember, open enrollment is the one time during the year you can make changes to your benefits unless you experience a qualifying life event such as marriage or birth of a child.
