ROLLOVER, TRANSFER OR EXCHANGE into your account at TIAA-CREF

IMPORTANT INFORMATION

PLEASE **READ BEFORE** FILLING OUT FORM

Questions?

If you have questions regarding the completion of this form, please contact your existing TIAA-CREF representative or TIAA-CREF customer service at **800 842-2252**, Monday - Friday, 8 AM - 10 PM ET, Saturday 9 AM - 6 PM ET.

Complete this form to authorize the rollover or transfer of funds from another financial institution into your TIAA-CREF employer-sponsored plans. For IRA Rollovers, please use the **TIAA-CREF Investment Solutions IRA Transfer or Rollover Authorization Form (F10463)**.

Our goal is to complete your rollover, transfer or exchange as quickly and accurately as possible. Please read the "Important Information" below and review the checklist at the end of this form.

• Transaction Definitions

- **Rollover:** Separation from service, disability or attainment of age 59½ may qualify you for a rollover of assets from one account to another account. A direct rollover may be to any eligible retirement plan that agrees to accept the rollover and that includes qualified plans under 401(a)/403(a) (including 401(k) plans), 403(b) plans, governmental 457(b) plans, and IRAs. An indirect rollover is a distribution to an employee who rolls it over to another tax-qualified plan or IRA within 60 days from distribution.
- **Investment Transfer (457(b) or Qualified Retirement Plan (Direct transfer)):** An investment transfer is a change of investments from one vendor to another within your qualified retirement plan (for example, a 401(a) or a 401(k) plan or 457(b) plan). A transfer will allow you to move all or a portion of your employer-sponsored retirement account from one vendor to another. Both vendors must be part of the same employer's plan and the vendor receiving the assets must be an approved vendor in your employer-sponsored plan.
- **Contract Exchange:** If you have not experienced a qualifying event (separation of service, disability or attainment of age 59½) you may move your 403(b) assets within your current employer's plan from one carrier to another carrier, via a contract exchange, if permitted by the plan.
- **Plan-to-Plan Transfer (403(b), 457(b) or Qualified Retirement Plan):** A plan-to-plan transfer is a transfer of assets from one employer's plan into another of the same plan type. For example, if you have changed employers and would like to move your account from your former employer's plan into your current employer's plan, you may initiate a plan-to-plan transfer. Call your representative or TIAA-CREF customer service to confirm availability of this option at **800 842-2252**.
- Attach a complete copy of your most recent statement for the account(s) you are transferring to TIAA-CREF.
- If your request includes securities held in brokerage accounts or mutual funds, you must liquidate them before TIAA-CREF contacts your financial institution.
- Roth 403(b)(1/7), Roth 401(k) and Public 457(b) Roth contributions can only be transferred/rolled over to another 403(b)/401(k) plan that will accept the contributions or to a Roth IRA.
- If you're transferring/rolling over Roth funds, your current financial institution or fund provider must provide us with additional information regarding your Roth contributions and earnings within five (5) business days of receiving the money, or TIAA-CREF will be required to refund the Roth portion of your transfer back to the financial institution/fund provider that sent the funds.
- If you are requesting a contract exchange or direct transfer, the name of your employer and your plan name is necessary to complete the transaction.
- Funds in 457(b) private plans can only be transferred to other 457(b) private plans that accept the transfer. These funds are going into a contract that is part of your employer's general assets and is subject to the claims of your employer's creditors. Please check with your Plan Administrator if you are unsure of the type of plans that you have.
- Some financial institutions or fund providers require a medallion signature guarantee. Contact your financial institution or fund provider for their transfer/rollover requirements, including their forms and whether a medallion signature is required. A medallion signature guarantee is not the same as a notarized signature. You must obtain a medallion signature from a national or state bank, federal savings and loan association, savings bank or member of a national stock exchange who is a member of the medallion signature program.
- Employer authorization may be required to consolidate/transfer/roll over retirement assets. Please contact your employer, your representative or TIAA-CREF customer service to determine requirements.

ROLLOVER, TRANSFER OR EXCHANGE into your account at TIAA-CREF

STEP SIX AUTHORIZATION AND ACKNOWLEDGEMENT

I authorize the current financial institution or fund provider to transfer/rollover the assets from my account(s) as stated on this form for immediate deposit into my TIAA-CREF account.

If necessary for the purpose of this transfer/rollover, I also authorize the current financial institution or fund provider to liquidate any mutual fund shares, company stocks, bonds, or other financial investments held in the account(s) immediately, and transfer the proceeds in the form of a check to my funds listed on this form.

If the current financial institution or fund provider does not provide the required information about contribution source (e.g., employer and/or employee) of your requested direct transfer amount and in the absence of direction from the employer/plan sponsor, TIAA-CREF will determine the availability of this transfer amount using the most restrictive rules for this retirement plan and may reject the transfer back to the current financial institution. I understand this means the direct transfer is subject to the delayed vesting schedule (if any) of my current employer's plan and the amount available to me for a loan and in-service or hardship withdrawal will be limited by the plan's rules.

I understand that if I rollover a distribution from another plan into a TIAA-CREF Retirement Annuity, Group Retirement Annuity, Retirement Choice, Retirement Choice Plus, Supplemental Retirement Annuity or Group Supplemental Retirement Annuity contract: i), my right to receive a distribution of these funds prior to or following my termination of employment from the employer sponsoring the plan that is accepting the rollover, will depend on the terms of that plan and the TIAA-CREF account to which the funds are being rolled over; and ii) to the extent the plan accepting the rollover is subject to the Employee Retirement Income Security Act (ERISA), spousal rights will apply to the funds and I may need a signed waiver from my spouse in order to receive a subsequent distribution of these funds to the extent the distribution is permitted by the new plan and receiving contract account.

I understand that I am responsible for determining my eligibility to transfer or roll over within the limits set forth by tax laws, related regulations, plan regulations and plan agreements. I assume responsibility for any tax consequences or penalties that apply to the requested transactions.

I direct TIAA-CREF to treat all salary reduction monies as pretax contributions made after 12/31/88 unless the financial institution identified above provides TIAA-CREF with account balances as of 12/31/88.

For transfers involving 403(b) plan assets, I direct TIAA-CREF to treat the entire balances as subject to current minimum distribution requirements unless the financial institution identified above provides TIAA-CREF with account balances as of 12/31/86.

I have read and understand the above conditions and I request that TIAA-CREF accept a transfer/rollover of funds to my TIAA-CREF account under a qualified retirement plan.
