Dear Chancellor Coombe:

This letter is formal notification of the action taken concerning University of Denver by The Higher Learning Commission. At its meeting on June 20, 2011, the Institutional Actions Council (IAC) voted to continue the accreditation of University of Denver and to adopt any new items affecting the Statement of Affiliation Status. The SAS is a summary of your organization's ongoing relationship with the Commission.

I have enclosed your institution's Statement of Affiliation Status (SAS) and Organizational Profile (OP). The OP is generated from data you provided in your most recent Annual Institutional Data Update. If the current Commission action included changes to the demographic, location, or distance education information you reported in your Annual Institutional Data Update, we have made the changes on the Organizational Profile. No other organizational information was changed.

The attached Statement of Affiliation Status and Organizational Profile will be posted to the Commission Web site on Friday, July 8. If you have questions about these documents, please contact Eric V. Martin, your staff liaison before Thursday, July 7. Information about notifying the public of this action is found in Chapter 8.3-3 and 8.3-4 of the *Handbook of Accreditation*, Third Edition.

Please be aware of Commission policy on planned or proposed organizational changes that require Commission action before their initiation. You will find the Commission's change policy at ncahlc.org/information-for-institutions/institutional-change.html. If you have questions about how planned institutional changes might affect your relationship with the Commission, please write or call Eric V. Martin.

On behalf of the Board of Trustees, I thank you and your associates for your cooperation.

Sincerely,

Sylvia Manning
President
